Section 1: Introduction

This is the 36th Quarterly Report (Report) covering January 1, 2023 through March 31, 2023. It reports on the Maricopa County Sheriff's Office's (MCSO or Office) compliance with the Hon. G. Murray Snow's October 2, 2013 Supplemental Permanent Injunction/Judgment Order (Doc. 606), as amended (First Order), the Second Supplemental Permanent Injunction/Judgment Order (Doc. 1765), as amended (Second Order), and the Third Supplemental Permanent Injunction/Judgment, as amended (Third Order) (collectively, the Court's Orders). MCSO submits this Report to comply with Paragraph 11 of the Court's First Order.

The purpose of this Report is to describe and document the steps MCSO has taken to implement the Court's Orders, describe and document MCSO's plans to correct any issues moving forward, and provide responses to concerns raised in the Monitor's 35th Quarterly Report covering the fourth quarter of 2022 (October 1, 2022 – December 31, 2022) and filed with the Court on March 31, 2023. (Monitor's 35th Quarterly Report).

MCSO has created many procedures and divisions to implement the Court's Orders and achieve Full and Effective Compliance. Specific accomplishments for this reporting period have contributed to MCSO's current and future progress.

This Report documents, by Paragraph, MCSO's compliance with the First, Second and Third Orders. The Report identifies each Paragraph for which MCSO is "in compliance" for both Phase 1 and Phase 2, as well as each Paragraph for which MCSO remains in Full and Effective Compliance. Paragraphs that are rated as "not in compliance" or "deferred" are also listed along with information about MCSO's efforts to come into compliance. Finally, this Report identifies the Paragraphs for which MCSO asserts Full and Effective Compliance this quarter.

Section 2: Compliance Summary

This Report from MCSO includes compliance ratings from the First, Second, and Third Orders issued by the Hon. G. Murray Snow. The Monitor rates MCSO compliance in two phases. Phase 1 compliance assessment entails a consideration of “whether MCSO has developed and approved requisite policies and procedures, and MCSO personnel have received documented training on their contents.” Twenty-Seventh Report, Independent Monitor for MCSO, 5/14/21 at 4 (Doc. 2637). Phase 2 compliance is “generally considered operational implementation” and must comply with the Court’s Orders’ requirements “more than 94% of the time or in more than 94% of the instances under review.” *Id.*

The Monitor’s 35th Quarterly Report assessed MCSO’s compliance with 94 Paragraphs of the First Order, and 116 Paragraphs of the Second Order, for a total of 207 Paragraphs. The reporting period for this Report covers the first quarter of 2023 (January 1, 2023, through March 31, 2023). Based on the Monitor’s 35th Quarterly Report, when this quarter began, MCSO’s compliance ratings for the Court’s Orders were:

- First Order compliance rating:
 - Phase 1 compliance -- 99% (79 Paragraphs)
 - Phase 2 compliance -- 80% (75 Paragraphs)
- Second Order compliance rating:
 - Phase 1 compliance -- 100% (104 Paragraphs)
 - Phase 2 compliance -- 93% (106 Paragraphs)

Factoring the requirements of both of the Court’s Orders, MCSO began the quarter in Phase 1 compliance with 183 Paragraphs, a 99% overall rating, and in Phase 2 compliance with 181 Paragraphs, an 87% overall rating.

Starting with the Monitor’s 35th Quarterly Report, the Monitor began assessing MCSO’s compliance with 24 paragraphs of the Court’s Third Order. Based on the Monitor’s 35th Quarterly Report, when this quarter began, MCSO’s compliance ratings for the Third Order were:

- Third Order compliance rating:
 - Phase 1 compliance -- 25% (1 Paragraph)
 - Phase 2 compliance -- 38% (9 Paragraphs)

For those Third Order Paragraphs in which MCSO is not in compliance, assessment has been deferred pending finalization of various policy changes required by the Third Order.

MCSO has achieved Full and Effective Compliance with 152 Paragraphs of the Court’s Orders. This means that MCSO has been in both Phase 1 and Phase 2 compliance with the requirements of these Paragraphs for at least three consecutive years.

In this Report, MCSO asserts Full and Effective Compliance with 4 additional Paragraphs of the Court’s Orders: Paragraphs 91, 173, 205, and 212.

The following table reflects MCSO's compliance status with respect to each of the Paragraphs of the Court's First and Second Orders, along with the Paragraphs for which MCSO is asserting Full and Effective Compliance.

339	MCSO must not reduce the staffing levels at PSB below the minimum investigator staffing number identified in ¶ 340 while a backlog in investigations remains.	N/A	In Compliance

(Doc. 2790 at 15). The staffing referred to by Mr. Gennaco, together with the full staffing of the vacant positions, is 39 investigators. This is the minimum investigator staffing number. If MCSO fails to fill any one of the seven vacant budgeted staffing positions with an AZPOST sworn investigator who is approved by the Monitor within 60 days of the date of this order, MCSO and/or Maricopa County will pay into a PSB Staffing Fund three times the amount identified by PSB in ¶ 338 above for each vacancy remaining at the MCSO for budgeted	N/A	In Compliance

	investigators. It shall, thereafter on a monthly basis pay into the Staffing Fund three times the amount identified in ¶ 338 above for every month the number of PSB investigators falls below the minimum investigator staffing number.		
341	If MCSO desires to fill the positions with new civilian investigators in lieu of sworn officers, it may do so to the extent that it is authorized to do so, consistent with state law. Should it fail to fill any one of the seven vacant positions within 60 days of the date of this order, MCSO and/or Maricopa County will pay into a PSB Staffing Fund three times the amount identified by PSB in ¶ 338 above for each vacancy remaining at the MCSO for budgeted investigators. 342	If the MCSO attempts to fill these open positions with a mix of qualified sworn personnel and civilian investigators, it may do so to the extent that it can, consistent with state law. 344	MCSO must demonstrate that it is using overtime and other administrative tools to increase the personnel hours committed to investigate all types of complaints. MCSO shall report its use of these tools to the Monitor on a monthly basis.	N/A	Deferred
345	MCSO and/or Maricopa County shall hereby establish a PSB Staffing Fund, which shall be a separate account of the MCSO. The amounts set forth in ¶¶ 340-42 shall be paid directly into this account. The MCSO, however, is only authorized to withdraw funds from this account for the hiring and payment of PSB investigators or private investigators contracted with PSB who are in compliance with the requirements of state law. The fund may also be used to hire necessary additional PSB administrative staff and necessary additional PSB supervisory staff only, and for no other purpose. MCSO is not permitted to offset the amount of any fine from PSB's existing budget or use it to subsidize the number of PSB staff and investigators existing at the time of this Order. MCSO shall provide an accounting of the PSB Staffing Fund on a monthly basis to the Monitor and the Court. But, if necessary, MCSO is permitted to augment and/or exceed the salary and incentives normally paid PSB investigators to hire and/or maintain sufficient investigators, whether sworn or civilian, to reduce the backlog. 346	The Court hereby vests the Monitor, Robert Warshaw, with the supplemental authorities set forth in this Order. ³ The Monitor therefore has immediate authority to oversee all of MCSO's complaint intake and routing. The Court hereby vacates any previous order that conflicts with this Order, including but not limited to ¶ 292 of the Second	N/A	N/A

	<p>Order (Doc. 1765). In consultation with the PSB Commander, the Monitor shall make determinations and establish policy decisions pertaining to backlog reduction regarding, by way of example, which complaints should be (a) investigated by PSB; (b) sent to the Districts for investigation or other interventions; or (c) handled through other methods, to include diversion and/or outsourcing of cases. The Monitor must consult with the PSB Commander about these policy decisions but maintains independent authority to make the ultimate decision. The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If the backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor.</p>		
347	<p>The Monitor shall revise and/or formalize MCSO's intake and routing processes. The Monitor's authorities shall include, but not be limited to, the power to audit and review decisions made with respect to individual cases and, if necessary, to change such designations. The Sheriff and the MCSO shall expeditiously implement the Monitor's directions or decision with respect to intake and routing, and any other issues raised by the Monitor pertaining to backlog reduction and any other authority granted the Monitor under the Court's orders. The Monitor must consult with the PSB Commander about these processes but maintains independent authority to make the ultimate decision. The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If the backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor.</p>	N/A	N/A
348	<p>The Monitor will evaluate PSB's current investigative practices. The PSB, under the authority of the Monitor, shall create, and submit for the Monitor's approval, policies and procedures that:</p> <p>(a) Identify and eliminate unnecessary investigative requirements that may be removed from particular classes of cases;</p> <p>(b) Provide for the establishment of an investigative plan for each investigation to eliminate unnecessary steps for the investigation of the complaint at issue;</p> <p>(c) Establish formal internal scheduling expectations and requirements for supervisory interventions;</p> <p>(d) Establish expectations on the timeline for each step of the review process. The formulated expectations will be consistent with the timeline requirements of this Court's previous orders;</p> <p>(e) Assess current use of IA Pro as a case management/tracking tool.</p>	Deferred	Deferred
349	<p>The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If a backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor. Given that the parties have provided the Monitor with feedback on these issues, the Monitor is directed to consider the input already articulated by the parties on these issues and determine, at his discretion, to adopt them or not. The Monitor may choose, but will not be required, to seek additional input from the parties in the development of the above stated policies. The Monitor shall finalize and submit such policies to the Court within</p>	N/A	N/A

	four months of the date of this order. The parties shall have two weeks thereafter to provide the Court with any comments on the Monitor's final proposed policies. The Court will, if necessary thereafter, make determinations as to the final policies.		
350	The Monitor will assess MCSO's compliance with the investigative requirements of this order and shall determine whether training on investigative planning and supervision is needed and implement such training.	N/A	N/A
351	The Monitor has the authority to make recommendations to the Court concerning the revision of the Court's orders as it pertains to the investigation of complaints where, in its opinion, such revisions would increase efficiency without impinging on investigations necessary to the operation of a fair and unbiased law enforcement agency.	N/A	N/A
352	The Monitor may intervene in the course of any investigation for the purpose of facilitating the appropriate operation of the PSB and/or the reduction of the backlog, if he deems it appropriate, and will document his actions in a quarterly report to be submitted to the Court. The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If the backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor.	N/A	N/A
353	<p>The Monitor shall recommend to the Court adjustments in the investigations of the following categories of cases according to the following procedure:</p> <p>MCSO shall, upon the approval of the Monitor:</p> <p>(a) Create, formalize, and implement a policy regarding whether investigations are necessary when the complaint was submitted to the MCSO more than a year after the last instance of the underlying alleged misconduct reported, or when the MCSO employee involved left MCSO's employ prior to the filing of the complaint.</p> <p>(b) Create, formalize, and implement a policy regarding when investigations are necessary if the initial complainant is unwilling or unable to cooperate, or if the initial complainant is anonymous.</p> <p>(c) Create, formalize, and implement a policy regarding when MCSO may investigate health related in-custody jail deaths by County medical staff.</p> <p>(d) Create, formalize, and implement a policy regarding when an entity other than PSB may investigate internal allegations emanating from workplace relationships.</p> <p>(e) Create, formalize, and implement a policy regarding when, in cases in which external evidence establishes a violation, the PSB Commander has the discretion to offer principals a mitigated penalty if they accept responsibility. The mitigated penalty shall be no lower than the minimum discipline within the applicable discipline matrix range for the charged offenses.</p> <p>(f) Create, formalize, and implement a policy regarding when the PSB commander is authorized to handle the alleged minor misconduct through supervisory intervention in lieu of investigation. MCSO shall submit to the Monitor within 15 days, a list of the minor misconduct within the GC-17 (Disciplinary Matrix) which it deems should be considered by the Monitor to be handled as a supervisory intervention. MCSO's list shall exclude</p>	Deferred	Deferred

	<p>allegations concerning the Plaintiff class and allegations of bias.</p> <p>In proposing such policies to the Monitor, the MCSO shall fully and openly consult with the other parties to this litigation. All parties shall move expeditiously to formulate, consult with, and approve these policies. MCSO and the parties shall complete and submit to the Monitor for approval all such proposed policies within three months of this order. As to those issues on which the parties cannot obtain consensus, they shall each submit their proposals to the Monitor. The Monitor shall then, promptly present to the Court the final proposed policies he deems best. The parties will have two weeks thereafter to provide the Court with any comments on the Monitor's final proposed policies. The Court will, thereafter, make determinations as to the final policies.</p>		
355	<p>The Monitor and the PSB shall review the cases in the current backlog that are eligible to be diverted from PSB investigations by ¶ 353 of this order. It is the expectation of the Court that the diverted cases shall reduce the current backlog.</p>	N/A	Deferred
356	<p>Within five business days of the elimination of these cases from the backlog, the Monitor shall certify to the parties and the Court the number of administrative investigations remaining in the backlog that are open and have not been completed within the time limits required by the Court. At the beginning of each month, the number of open cases whose investigations have exceeded the time by which Doc. 1765 ¶ 204 required that they be completed shall be the remaining backlog. This backlog shall not include any cases for which the Monitor has granted an extension of the investigative deadline pursuant to ¶ 365 of this Order.</p>	N/A	N/A
357	<p>The cases in this remaining backlog should be identified by year, giving priority to the oldest cases, i.e., the cases that were filed first. The expectation should be to address the oldest cases first, without ignoring the continuing caseload. For each month in which the PSB cannot reduce the remaining backlog by 20 cases from the previous month's number, the MCSO and/or Maricopa County shall pay into the PSB Staffing Fund two times the amount identified in ¶ 338 above.</p>	N/A	Deferred
360	<p>The Monitor shall submit a quarterly progress report to the Court and parties describing the rationale for each type of investigative diversion approved, the result of each diversion type, the backlog tally, the number of completed cases, unresolved issues, and further actions required to address the backlog and staffing levels at PSB.</p>	N/A	Deferred
361	<p>Under the direction of the Court, MCSO shall commission an independent study to determine: (1) the most efficient way for MCSO to allocate its personnel in light of existing authorized staffing levels, the requirements and expectations of its served communities, the requirements of this Court's Orders, the timely elimination of the existing backlog of PSB investigations, and state law; (2) the necessary staffing level for MCSO to fulfill these obligations regardless of the existing staffing level; and (3) the PSB staffing level required to maintain the timely completion of PSB investigations in compliance with the Orders of this Court and state law. MCSO shall (1) provide a draft Request for Proposals to the Court, the Monitor, and the parties; (2) disclose credible bids to the Court, the Monitor, and the parties;</p>	N/A	Deferred

	and (3) obtain Court approval of the methodology for the study. MCSO must ensure that the study is completed within one year of the entry of this Order.		
362	The Court is aware that the MCSO has already engaged a consultant to undertake a similar evaluation. Nevertheless, while the Court will consider both the qualifications of the consultant already hired by MCSO and the outcome of that study, the work of that consultant must comply with the Court's requirements, supra and will not be deemed to satisfy the terms of this Order absent the approval of this Court. If MCSO wishes to obtain Court approval of the consultant it has already hired, it must, as a prerequisite, provide the contracting documents to the Court, the Monitor, and the parties within five business days of the entry of this Order; and it must submit the consultant's draft methodology to the Court, the Monitor, and the parties within 30 days of the entry of this Order.	N/A	Deferred
364	To keep the parties and the Court informed, the MCSO shall report monthly on the size of the backlog to the Monitor, the parties, and the Court. The Monitor's quarterly progress report will further assess the status of the backlog.	N/A	In Compliance
365	The authority for MCSO to grant itself extensions in investigation deadlines granted in ¶ 204 of Doc. 1765 is revoked. The Monitor shall be authorized to grant reasonable extensions upon reviewing requests submitted to him by the Sheriff.	Deferred	Deferred
368	MCSO will continue to pay into the PSB Staffing Fund pursuant to ¶ 357 until MCSO reports for twelve continuous months that it has no open investigations that have exceeded the time by which Doc. 1765 ¶ 204 required that they be completed. At that time, MCSO may petition the Court to dissolve the PSB Staffing Fund.	N/A	In Compliance

Section 3: Implementation Unit Creation and Documentation Requests

General Comments regarding CID

MCSO has fully implemented Section III of the Court's First Order. In October 2013, MCSO formed the Court Compliance and Implementation Division consistent with Paragraph 9 of the Court's First Order. In February 2015, MCSO changed the name of this division to the CID, which stands for Court Implementation Division. CID coordinates site visits and other activities with each of the Parties, as the Court's Orders require.

CID, with the Sheriff's approval, ensures the proper allocation of document production requests to the appropriate MCSO units to achieve Full and Effective Compliance with the Court's Orders. Thus, the efforts to achieve compliance and to fulfill the Monitor's requests involve the efforts of MCSO divisions, bureaus, personnel and command staff, as well as personnel from the Maricopa County Attorney's Office (MCAO).

During this quarter, CID responded to the three required monthly document requests, the quarterly document requests, and the January site visit document requests. In addition to the document requests, CID facilitates the production of training materials, policies and procedures to the Monitor for review and approval. As a reflection of MCSO's efforts to achieve Full and Effective Compliance with the Court's Orders, CID, through MCSO counsel, produced approximately 91,648 pages of documents in this quarter.

CID strives to continue to foster a positive working relationship with the Monitor and Parties. This positive attitude continues to be reflected in MCSO's ongoing collaboration with the Monitor and Parties.

MCSO remains in Full and Effective Compliance with all Paragraphs in Section 3, Implementation Unit Creation and Documentation Requests.

Paragraph 9. Defendants shall hire and retain or reassign current MCSO employees to form an interdisciplinary unit with the skills and abilities necessary to facilitate implementation of this Order. This unit shall be called the MCSO Implementation Unit and serve as a liaison between the Parties and the Monitor and shall assist with the Defendants' implementation of and compliance with this Order. At a minimum, this unit shall: coordinate the Defendants' compliance and implementation activities; facilitate the provision of data, documents, materials, and access to the Defendants' personnel to the Monitor and Plaintiffs representatives; ensure that all data, documents and records are maintained as provided in this Order; and assist in assigning implementation and compliance-related tasks to MCSO Personnel, as directed by the Sheriff or his designee. The unit will include a single person to serve as a point of contact in communications with Plaintiffs, the Monitor and the Court.

At a minimum, the foregoing data collection practices shall comport with current professional standards, with input on those standards from the Monitor.

The comprehensive Patrol Operations assessment shall include, but not be limited to, an analysis of collected traffic-stop and high-profile or immigration-related operations data; written Policies and Procedures; Training, as set forth in the Order; compliance with Policies and Procedures; Supervisor review; intake and investigation of civilian Complaints; conduct of internal investigations; Discipline of officers; and community relations. When the Defendants first assert compliance with any subpart or Full and Effective Compliance with the Order, the Monitor shall within 30 days determine whether the Defendants are in compliance with the designated subpart(s) or in Full and Effective Compliance with the Order. If either party contests the Monitor's determination it may file an objection with the Court, from which the Court will make the determination. Thereafter, in each assessment, the Defendants will indicate with which subpart(s) of this Order it remains or has come into full compliance and the reasons therefore. The Monitor shall within 30 days thereafter make a determination as to whether the Defendants remain in Full and Effective Compliance with the Order and the reasons therefore.*

The Court may, at its option, order hearings on any such assessments to establish whether the Defendants are in Full and Effective Compliance with the Order or in compliance with any subpart(s).

Consistent with Paragraph 31 requirements regarding MCSO personnel's receipt and comprehension of the policies and procedures, MCSO implemented the E-Policy system in January 2015 which has now been transitioned into TheHUB effective January 2018. MCSO utilizes the system to distribute

and require attestation of all *Briefing Boards* and published policies. TheHUB system memorializes and tracks employee compliance with the required reading of MCSO Policy and Procedures, employee acknowledgement that he or she understands the subject policies and procedures and employee expression of his or her agreement to abide by the requirements of the policies and procedures. MCSO provides the Critical, Detention, Enforcement, and General Policies through TheHUB as a resource for all MCSO personnel.

In this quarter, MCSO used the TheHUB system to distribute and obtain attestation of fourteen (14) policy revision publications, and one (1) immediate policy change.

MCSO in in Phase 1 compliance with Paragraph 25. Phase 2 compliance is deferred.

The Monitor has deferred its assessment of Phase 2 compliance with this Paragraph until it deems MCSO in compliance with Paragraph 67. However, the Monitor has already found MCSO in compliance with each subparagraph of Paragraph 67. The Monitor nevertheless has declined to find MCSO in compliance with Paragraph 67 until the TSMR pilot is successfully completed, and MCSO continues to produce the TSMR analysis after the pilot ends. The Monitor relies on subparagraph e of this Paragraph to link its compliance with Paragraph 67 and the TSMR.

The TSMR pilot has formally concluded and the TSMR process is now continuing as part of MCSO's day-to-day operations. Indeed, in this quarter, MCSO published a revised GH-5, *Early Identification System*, that expressly incorporates the TSMR process. MCSO maintains that it is in compliance with Paragraph 25 regardless of the status of the TSMR, but now that the pilot has been concluded, MCSO has addressed the final issue identified by the Monitor as preventing compliance with Paragraph 67. This, in turn, means that the final reason for deferring Phase 2 assessment of Paragraph 25 has been resolved. As such, MCSO asserts that its compliance status for Phase 2 should be switched from Deferred to In Compliance.

- b. require that Deputies have probable cause to believe that a person is engaged in, has committed, or is about to commit, a crime before initiating an arrest;*
- c. provide Deputies with guidance on factors to be considered in deciding whether to cite and release an individual for a criminal violation or whether to make an arrest;*

- e. prohibit the use of a person's race or ethnicity as a factor in establishing reasonable suspicion or probable cause to believe a person has, is, or will commit a crime, except as part of a reliable and specific suspect description; and*
- f. prohibit the use of quotas, whether formal or informal, for stops, citations, detentions, or arrests (though this requirement shall not be construed to prohibit the MCSO from reviewing Deputy activity for the purpose of assessing a Deputy's overall effectiveness or whether the Deputy may be engaging in unconstitutional policing).*

MCSO remains in Full and Effective Compliance with Paragraph 26.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

MCSO remains in Full and Effective Compliance with Paragraph 27.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 28. *The MCSO shall promulgate a new policy or policies, or will revise its existing policy or policies, relating to the enforcement of Immigration-Related Laws to ensure that they, at a minimum:*

- a. specify that unauthorized presence in the United States is not a crime and does not itself constitute reasonable suspicion or probable cause to believe that a person has committed or is committing any crime;*
- b. prohibit officers from detaining any individual based on actual or suspected "unlawful presence," without something more;*
- c. prohibit officers from initiating a pre-textual vehicle stop where an officer has reasonable suspicion or probable cause to believe a traffic or equipment violation has been or is being committed in order to determine whether the driver or passengers are unlawfully present;*
- d. prohibit the Deputies from relying on race or apparent Latino ancestry to any degree to select whom to stop or to investigate for an Immigration-Related Crime (except in connection with a specific suspect description);*
- e. prohibit Deputies from relying on a suspect's speaking Spanish, or speaking English with an accent, or appearance as a day laborer as a factor in developing reasonable suspicion or probable cause to believe a person has committed or is committing any crime, or reasonable suspicion to believe that an individual is in the country without authorization;*
- f. unless the officer has reasonable suspicion that the person is in the country unlawfully and probable cause to believe the individual has committed or is committing a crime, the MCSO shall prohibit officers from (a) questioning any individual as to his/her alienage or immigration status; (b) investigating an individual's identity or searching the individual in order to develop evidence of unlawful status; or (c) detaining an individual while contacting ICE/CBP with an inquiry about immigration status or awaiting a response from ICE/CBP. In such cases, the officer must still comply with Paragraph 25(g) of this Order. Notwithstanding the foregoing, an officer may (a) briefly question an individual as to his/her alienage or immigration status; (b) contact ICE/CBP and await a response from federal authorities if the officer has reasonable suspicion to believe the person is in the country unlawfully and reasonable suspicion to believe the person is engaged in an Immigration-Related Crime for which unlawful immigration status is an element, so long as doing so does not unreasonably extend the stop in violation of Paragraph 25(g) of this Order;*
- g. prohibit Deputies from transporting or delivering an individual to ICE/CBP custody from a traffic stop unless a request to do so has been voluntarily made by the individual; and*
- h. require that, before any questioning as to alienage or immigration status or any contact with ICE/CBP is initiated, an officer checks with a Supervisor to ensure that the circumstances justify such an action under MCSO policy and receive approval to proceed.*

Officers must also document, in every such case, (a) the reason(s) for making the immigration-status inquiry or contacting ICE/CBP, (b) the time approval was received, (c) when ICE/CBP was contacted, (d) the time it took to receive a response from ICE/CBP, if applicable, and (e) whether the individual was then transferred to ICE/CBP custody.

MCSO remains in Full and Effective Compliance with Paragraph 28.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 29. MCSO Policies and Procedures shall define terms clearly, comply with applicable law and the requirements of this Order, and comport with current professional standards.

MCSO remains in Full and Effective Compliance with Paragraph 29.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 30. Unless otherwise noted, the MCSO shall submit all Policies and Procedures and amendments to Policies and Procedures provided for by this Order to the Monitor for review within 90 days of the Effective Date pursuant to the process described in Section IV. These Policies and Procedures shall be approved by the Monitor or the Court prior to their implementation.

MCSO remains in Full and Effective Compliance with Paragraph 30.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 31. Within 60 days after such approval, MCSO shall ensure that all relevant MCSO Patrol Operation Personnel have received, read, and understand their responsibilities pursuant to the Policy or Procedure. The MCSO shall ensure that personnel continue to be regularly notified of any new Policies and Procedures or changes to Policies and Procedures. The Monitor shall assess and report to the Court and the Parties on whether he/she believes relevant personnel are provided sufficient notification of, and access to, and understand each policy or procedure as necessary to fulfill their responsibilities.

MCSO remains in Full and Effective Compliance with Paragraph 31.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 32. The MCSO shall require that all Patrol Operation personnel report violations of policy; that Supervisors of all ranks shall be held accountable for identifying and responding to policy or

procedure violations by personnel under their command; and that personnel be held accountable for policy and procedure violations. The MCSO shall apply policies uniformly.

MCSO is in Phase 1 compliance with Paragraph 32. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO continues to object to the method of assessment utilized by the Monitor for compliance with Paragraph 32 because it far exceeds the actual requirements of Paragraph 32, and instead imports requirements from other Paragraphs. MCSO requests the assessment methodology for Paragraph 32 be limited to the specific requirements of this Paragraph and not include requirements specifically addressed in other Paragraphs.

Paragraph 32 requires that (1) patrol personnel report policy violations; (2) Supervisors are held accountable for identifying and responding to violations; (3) personnel are held accountable for violations; and (4) policies are applied uniformly. Yet the Monitor assesses compliance with this Paragraph by scrutinizing completed misconduct investigations involving patrol Deputies, and determining whether those investigations met the requirements of other Paragraphs that specifically govern misconduct investigations. As a result of this approach, the Monitor's methodology inappropriately lumps the requirements of several Paragraphs together and applies the same analysis to all of the Paragraphs, instead of addressing the specific requirements in each Paragraph individually. A more appropriate method of assessment would be for the Monitor to assess the requirements in Paragraph 32 alone, and not apply far-reaching assessments of the entire case file when assessing Paragraph 32.

Finally, MCSO acknowledges the concerns raised by the Monitor regarding district internal investigations and the associated challenges of completing these investigations in compliance with the Court's Orders. MCSO leadership recognizes there are serious problems that need to be solved with district investigations for those investigations to be properly completed.

***Paragraph 33.** MCSO Personnel who engage in Discriminatory Policing in any context will be subjected to administrative Discipline and, where appropriate, referred for criminal prosecution. MCSO shall provide clear guidelines, in writing, regarding the disciplinary consequences for personnel who engage in Discriminatory Policing.*

MCSO is in Phase 1 compliance with Paragraph 33. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

Of the six cases the Monitor reviewed for compliance with Paragraph 33 during the last quarter, all six investigations were properly investigated, and the Monitor Team agreed with the findings. None of the cases complied with the timeline requirements. MCSO continues to work to address timeline issues.

***Paragraph 34.** MCSO shall review each policy and procedure on an annual basis to ensure that the policy or procedure provides effective direction to MCSO Personnel and remains consistent with this Order, current law and professional standards. The MCSO shall document such annual review in*

writing. MCSO also shall review Policies and Procedures as necessary upon notice of a policy deficiency during audits or reviews. MCSO shall revise any deficient policy as soon as practicable.

MCSO remains in Full and Effective Compliance with Paragraph 34.

In any event, as soon as disclosure would no longer interfere with an on-going criminal investigation, MCSO shall provide the notification to the Monitor and Plaintiffs. To the extent that it is not already covered above by Paragraph 38, the Monitor and Plaintiffs may request any documentation related to such activity as they deem reasonably necessary to ensure compliance with the Court's orders.

2023 PSB Training:

Considerations for PSB Training are currently on-going from updates and requirements in the Third Order for potential procedural and policy changes. Training Division classes will be discussed, created, and submitted in line with class development, review, and approval.

***Paragraph 42.** The persons presenting this Training in each area shall be competent instructors with significant experience and expertise in the area. Those presenting Training on legal matters shall also hold a law degree from an accredited law school and be admitted to a Bar of any state and/or the District of Columbia.*

MCSO is in Phase 1 compliance with Paragraph 42. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO acknowledges the concerns raised by the Monitor regarding compliance with the requirements of GG-1: Peace Officer Training Administration as it pertains to Field Training Officer (FTO) designations. Addressing these issues is a high priority for MCSO and the Training Division is evaluating how best to ensure compliance with the requirements of policy and the Court's Orders. In the previous quarter, MCSO updated language in policies GG-1 and GG-2 relating to how PSB checks are conducted on FTOs. Those policies were submitted to and approved by the Monitor. The procedural changes instituted by the amended policies were fully implemented in January 2023, and since then MCSO has demonstrated compliance with both GG-1 and this Paragraph. In addition,

MCSO has created a new FTO tracking spreadsheet that clearly and concisely reflects all necessary FTO information. MCSO shares this spreadsheet with the Monitor. Based on the policy changes and the successful implementation of those changes, MCSO asserts it is now in compliance with this Paragraph.

Paragraph 43. *The Training shall include at least 60% live training (i.e., with a live instructor), which includes an interactive component, and no more than 40% on-line training. The Training shall also include testing and/or writings that indicate that MCSO Personnel taking the Training comprehend the material taught whether via live training or via on-line training.*

Section 7: Traffic Stop Documentation and Data Collection

General Comments regarding Traffic Stop Documentation and Data Collection

The documentation and collection of traffic stop data is the foundation of much of the analysis and follow up that is done under the Court's Orders to identify, prevent, and correct potentially biased policing. MCSO has a complex and thorough system for capturing traffic stop data for the uses prescribed in the Court's Orders, checking the quality of data that is collected and cleaning the data as necessary to use it for analysis. MCSO has also established a research unit within BIO that has greatly enhanced its in-house analytical capabilities. The traffic stop data is used for routine Supervisor reviews, as well as monthly, quarterly, and annual reports as required by the Court's Orders. A list of traffic stop studies completed through the end of this quarter is included in **Appendix 2** to this Report.

***Paragraph 54.** Within 180 days of the Effective Date, MCSO shall develop a system to ensure that Deputies collect data on all vehicle stops, whether or not they result in the issuance of a citation or arrest. This system shall require Deputies to document, at a minimum:*

- a. the name, badge/serial number, and unit of each Deputy and posse member involved;*
- b. the date, time and location of the stop, recorded in a format that can be subject to geocoding;*
- c. the license plate state and number of the subject vehicle;*
- d. the total number of occupants in the vehicle;*
- e. the Deputy's subjective perceived race, ethnicity and gender of the driver and any passengers, based on the officer's subjective impression (no inquiry into an occupant's ethnicity or gender is required or permitted);*
- f. the name of any individual upon whom the Deputy runs a license or warrant check (including subject's surname);*
- g. an indication of whether the Deputy otherwise contacted any passengers, the nature of the contact, and the reasons for such contact;*
- h. the reason for the stop, recorded prior to contact with the occupants of the stopped vehicle, including a description of the traffic or equipment violation observed, if any, and any indicators of criminal activity developed before or during the stop;*
- i. time the stop began; any available data from the E-Ticketing system regarding the time any citation was issued; time a release was made without citation; the time any arrest was made; and the time the stop/detention was concluded either by citation, release, or transport of a person to jail or elsewhere or Deputy's departure from the scene;*
- j. whether any inquiry as to immigration status was conducted and whether ICE/CBP was contacted, and if so, the facts supporting the inquiry or contact with ICE/CBP, the time Supervisor approval was sought, the time ICE/CBP was contacted, the time it took to complete the immigration status investigation or receive a response from ICE/CBP, and whether ICE/CBP ultimately took custody of the individual;*
- k. whether any individual was asked to consent to a search (and the response), whether a probable cause search was performed on any individual, or whether a pat-and-frisk search was performed on any individual;*

- l. whether any contraband or evidence was seized from any individual, and nature of the contraband or evidence; and*
- m. the final disposition of the stop, including whether a citation was issued or an arrest was made or a release was made without citation.*

MCSO is in Phase 1 compliance with Paragraph 54. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

There are 13 subparagraph requirements for Paragraph 54, a through m. In the Monitor’s most recent quarterly report, he rated MCSO as “Not in Compliance” for Subparagraphs 54.g and l.

Paragraph 54.g requires an indication of whether the Deputy otherwise contacted any passengers, the nature of the contact, and the reasons for such contact. MCSO has taken additional steps, described in its 30th Quarterly Report, to improve compliance with the requirements regarding the use of the Vehicle Stop Contact Form (VSCF) to document passenger contacts and provide related receipts. Additionally, MCSO is exploring the development of a SharePoint reporting mechanism for Patrol Divisions to verify that passengers contacted during traffic stops were issued the appropriate documentation.

In January 2022, the Audit and Inspections Unit (AIU) began conducting monthly inspections related to compliance with Paragraph 54.g. Those inspection results are published on the MCSO/BIO website. The compliance rating for this quarter, based on AIU inspections, exceeded 94%, with a compliance rating of 99% in January, 100% in February, and 99% in March.

Paragraph 54.l addresses the seizure of contraband. This is also now the subject of a monthly inspection by AIU. MCSO’s efforts have led to a substantial increase in compliance—as assessed by the Monitor, MCSO’s compliance rating for this Subparagraph improved from 73% in the last quarter of 2021 to 92% in the first quarter of 2022. Although the Monitor notes that compliance dropped slightly in the final quarter of 2022, MCSO’s inspection reports for this quarter show a compliance rating of 94% in January, 96% in February, and 98% in March.

Paragraph 55. MCSO shall assign a unique ID for each incident/stop so that any other documentation (e.g., citations, incident reports, two forms) can be linked back to the stop.

MCSO remains in Full and Effective Compliance with Paragraph 55.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone’s 29th Quarterly Report (Doc. 2703-1).

Paragraph 56. The traffic stop data collection system shall be subject to regular audits and quality control checks. MCSO shall develop a protocol for maintaining the integrity and accuracy of the traffic stop data, to be reviewed by the Monitor pursuant to the process described in Section IV.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 56.

MCSO has been in compliance with this Paragraph since September 30, 2021.

Paragraph 57. *MCSO shall explore the possibility of relying on the CAD and/or MDT systems to check if all stops are being recorded and relying on on-person recording equipment to check whether Deputies are accurately reporting stop length. In addition, MCSO shall implement a system for Deputies to provide motorists with a copy of non-sensitive data recorded for each stop (such as a receipt) with instructions for how to report any inaccuracies the motorist believes are in the data, which can then be analyzed as part of any audit. The receipt will be provided to motorists even if the stop does not result in a citation or arrest.*

Paragraph 58. *The MCSO shall ensure that all databases containing individual-specific data comply with federal and state privacy standards governing personally identifiable information. MCSO shall develop a process to restrict database access to authorized, identified users who are accessing the information for a legitimate and identified purpose as defined by the Parties. If the Parties cannot agree, the Court shall make the determination.*

Paragraph 59. *Notwithstanding the foregoing, the MCSO shall provide full access to the collected data to the Monitor and Plaintiffs' representatives, who shall keep any personal identifying information confidential. Every 180 days, MCSO shall provide the traffic stop data collected up to that date to the Monitor and Plaintiffs' representatives in electronic form. If proprietary software is necessary to view and analyze the data, MCSO shall provide a copy of the same. If the Monitor or the Parties wish to submit data with personal identifying information to the Court, they shall provide the personally identifying information under seal.*

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 60. *Within one year of the Effective Date, the MCSO shall develop a system by which Deputies can input traffic stop data electronically. Such electronic data system shall have the capability to generate summary reports and analyses, and to conduct searches and queries. MCSO will explore whether such data collection capability is possible through the agency's existing CAD and MDT systems, or a combination of the CAD and MDT systems with a new data collection system. Data need not all be collected in a single database; however, it should be collected in a format that can be*

efficiently analyzed together. Before developing an electronic system, the MCSO may collect data manually but must ensure that such data can be entered into the electronic system in a timely and accurate fashion as soon as practicable.

MCSO remains in Full and Effective Compliance with Paragraph 60.

***Paragraph 61.** The MCSO will issue functional video and audio recording equipment to all patrol deputies and sergeants who make traffic stops, and shall commence regular operation and maintenance of such video and audio recording equipment. Such issuance must be complete within 120 days of the approval of the policies and procedures for the operation, maintenance, and data storage for such on-person body cameras and approval of the purchase of such equipment and related contracts by the Maricopa County Board of Supervisors. Subject to Maricopa County code and the State of Arizona's procurement law, The Court shall choose the vendor for the video and audio recording equipment if the Parties and the Monitor cannot agree on one.*

MCSO remains in Full and Effective Compliance with Paragraph 61.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

***Paragraph 62.** Deputies shall turn on any video and audio recording equipment as soon as the decision to initiate the stop is made and continue recording through the end of the stop. MCSO shall repair or replace all non-functioning video or audio recording equipment, as necessary for reliable functioning. Deputies who fail to activate and to use their recording equipment according to MCSO policy or notify MCSO that their equipment is nonfunctioning within a reasonable time shall be subject to Discipline.*

MCSO remains in Full and Effective Compliance with Paragraph 62.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 34th Quarterly Report (Doc. 2848-1).

***Paragraph 63.** MCSO shall retain traffic stop written data for a minimum of 5 years after it is created, and shall retain in-car camera recordings for a minimum of 3 years unless a case involving the traffic stop remains under investigation by the MCSO or the Monitor, or is the subject of a Notice of Claim, civil litigation or criminal investigation, for a longer period, in which case the MCSO shall maintain such data or recordings for at least one year after the final disposition of the matter, including appeals. MCSO shall develop a formal policy, to be reviewed by the Monitor and the Parties pursuant to the process described in Section IV and subject to the District Court, to govern proper use of the on-person cameras; accountability measures to ensure compliance with the Court's orders, including mandatory activation of video cameras for traffic stops; review of the camera recordings; responses to public*

records requests in accordance with the Order and governing law; and privacy protections. The MCSO shall submit such proposed policy for review by the Monitor and Plaintiff's counsel within 60 days of the Court's issuance of an order approving the use of on-body cameras as set forth in this stipulation. The MCSO shall submit a request for funding to the Maricopa County Board of Supervisors within 45 days of the approval by the Court or the Monitor of such policy and the equipment and vendor(s) for such on-body cameras.

MCSO remains in Full and Effective Compliance with Paragraph 63.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 64. *Within 180 days of the Effective Date, MCSO shall develop a protocol for periodic analysis of the traffic stop data described above in Paragraphs 54 to 59 ("collected traffic stop data") and data gathered for any Significant Operation as described in this Order ("collected patrol data") to look for warning signs or indicia or possible racial profiling or other improper conduct under this Order.*

Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 1 or Phase 2 compliance with Paragraph 64.

Phase 1: The TSAU Operations Manual has been finalized and approved. MCSO notes that the Monitor's 33rd Quarterly Report refers to the EIU Operations Manual. As explained in MCSO's 31st Quarterly Report, while the EIU Operations Manual and the TSAU Operations Manual used to be a single manual, they have since been separated into two separate manuals. Regardless, in this quarter, the Monitor approved the TSAU Operations Manual and the TSMR guiding documents, the TSAU SRELE training component, and the Post-Pilot TSMR training. As such, MCSO asserts that it is in Phase 1 compliance with this Paragraph.

Phase 2: MCSO's analysis of traffic stop data continues to be a priority. To date, MCSO has produced seven (7) Traffic Stop Annual Analysis Reports, ten (10) Quarterly Reports, and has been implementing the TSMR pilot since April 2021. In this quarter, MCSO completed its Tenth Traffic Stop Quarterly Report which was an examination of all searches conducted by MCSO to confirm that the syntax used in the TSAR and TSMR to identify searches as discretionary and non-discretionary is as accurate as possible. MCSO also formally incorporated the TSMR into GH-5, *Early Identification System*. The Monitor has indicated that Phase 2 compliance requires that MCSO demonstrate ongoing use of the methodologies established for Phase 1. MCSO asserts that it is in Phase 2 compliance with this Paragraph.

Paragraph 65. *MCSO shall designate a group with the MCSO Implementation Unit, or other MCSO Personnel working under the supervision of a Lieutenant or higher-ranked officer, to analyze the collected data on a monthly, quarterly and annual basis, and report their findings to the Monitor and the Parties. This review group shall analyze the data to look for possible individual-level, unit-level*

or systemic problems. Review group members shall not review or analyze collected traffic stop data or collected patrol data relating to their own activities.

MCSO is in Phase 1 compliance with Paragraph 65. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO has the designated units committed to the analysis of traffic stop data as required by this Paragraph. It also supplements its in-house capabilities with a consultant, CNA. MCSO has completed seven (7) Traffic Stop Annual Reports, ten (10) Traffic Stop Quarterly Reports (the latest results of the latest TSQR were published in December 2022), and has been preparing the Traffic Stop Monthly Reports since April 2021 and completing the Deputy-level follow up that the TSMR process requires. Using these different reports, MCSO has been developing and implementing strategies for follow up at the individual, district, and office level and identifying areas for further analysis. As it has been implementing the TSMR, MCSO has continued to work with the Monitoring Team and the Parties to explore potential improvements to the TSMR methodology.

Following its TSAR 7, MCSO held an office-wide briefing on the findings and published the report to the MCSO-BIO website for public access. MCSO also published its results from TSQR 9, which examined special assignments to better understand how they contribute to office-wide disparities.

MCSO has been using a statistical methodology to identify Deputy behavior at odds with its peers since the TSMR pilot began in April 2021. The methodology remained consistent through this quarter. Throughout the process, MCSO has used a methodology designed to identify outlier Deputies based on traffic stop outcomes and driver race and ethnicity. MCSO is performing the work required by this Paragraph.

The Monitor indicated that MCSO would achieve Phase 2 compliance with this Paragraph when “the TSMR process moves from its pilot phase to fully operational, including the finalization of appropriate guiding documents.” Monitor's 34th Quarterly Report (Doc. 2869) at 79. In the quarter, the TSMR pilot was formally concluded and the TSMR process continued to be a part of MCSO's day to day operations. In this quarter, MCSO formally incorporated the TSMR into GH-5, *Early Identification System*. As such, MCSO asserts that it is now in Phase 2 compliance with this Paragraph.

Paragraph 66. *MCSO shall conduct one agency-wide comprehensive analysis of the data per year, which shall incorporate analytical benchmarks previously reviewed by the Monitor pursuant to the process described in Section IV. The benchmarks may be derived from the EIS or IA-PRO system, subject to Monitor approval. The MCSO may hire or contract with an outside entity to conduct this analysis. The yearly comprehensive analysis shall be made available to the public and at no cost to the Monitor and Plaintiffs.*

MCSO remains in Full and Effective Compliance with Paragraph 66.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2874-1).

Paragraph 67. *In this context, warning signs or indicia of possible racial profiling or other misconduct include, but are not limited to:*

- a. racial and ethnic disparities in deputies', units' or the agency's traffic stop patterns, including disparities or increases in stops for minor traffic violations, arrests following a traffic stop, and immigration status inquiries, that cannot be explained by statistical modeling of race neutral factors or characteristics of deputies' duties, or racial or ethnic disparities in traffic stop patterns when compared with data of deputies' peers;*
- b. evidence of extended traffic stops or increased inquiries/investigations where investigations involve a Latino driver or passengers;*
- c. a citation rate for traffic stops that is an outlier when compared to data of a Deputy's peers, or a low rate of seizure of contraband or arrests following searches and investigations;*
- d. indications that deputies, units or the agency is not complying with the data collection requirements of this Order; and*
- e. other indications of racial or ethnic bias in the exercise of official duties.*

MCSO is in Phase 1 compliance with Paragraph 67. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

The Monitor has found MCSO in compliance with each subparagraph of Paragraph 67. However, he has nevertheless withheld finding MCSO in Phase 2 compliance until MCSO "demonstrates a consistent use of" the benchmarks relevant to this Paragraph "in both the TSAR and the TSMR." Monitor's 32nd Quarterly Report (Doc. 2802) at 82. MCSO has satisfied this requirement. As detailed elsewhere, MCSO has produced seven (7) TSARs, and the TSMR process has been successfully conducted since April 2021. The Monitor has approved the TSAU Operations Manual and TSMR guiding documents, the TSAU SRELE training component, and the Post-Pilot TSMR training. MCSO continues to integrate the TSMR into its regular activities and formally incorporated it into GH-5, *Early Identification System*. MCSO has demonstrated a consistent use of the benchmarks described. MCSO also believes that the Monitor's previous concerns about the timely production of vetting materials and alert closure documents have been resolved. As such, MCSO asserts that it is in Phase 2 compliance with this Paragraph.

Paragraph 68. *When reviewing collected patrol data, MCSO shall examine at least the following:*

- a. the justification for the Significant Operation, the process for site selection, and the procedures followed during the planning and implementation of the Significant Operation;*
- b. the effectiveness of the Significant Operation as measured against the specific operational objectives for the Significant Operation, including a review of crime data before and after the operation;*
- c. the tactics employed during the Significant Operation and whether they yielded the desired results;*
- d. the number and rate of stops, Investigatory Detentions and arrests, and the documented reasons supporting those stops, detentions and arrests, overall and broken down by Deputy, geographic area, and the actual or perceived race and/or ethnicity and the surname information captured or provided by the persons stopped, detained or arrested;*
- e. the resource needs and allocation during the Significant Operation; and*

MCSO remains in Full and Effective Compliance with Paragraph 68.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 69. In addition to the agency-wide analysis of collected traffic stop and patrol data, MCSO Supervisors shall also conduct a review of the collected data for the Deputies under his or her command on a monthly basis to determine whether there are warning signs or indicia of possible racial profiling, unlawful detentions and arrests, or improper enforcement of Immigration-Related Laws by a Deputy. Each Supervisor will also report his or her conclusions based on such review on a monthly basis to a designated commander in the MCSO Implementation Unit.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 69.

AIU establishes various systems for audits and inspections and other processes to help ensure compliance with this Paragraph. As part of this effort, the AIU created a methodology for a BIO Action Form (BAF) Tracking Study Inspection. The goal of the study is to identify trends found within the AIU inspections, then recommend possible solutions for the Office, the divisions, and specific Supervisors. During the first quarter of 2022, AIU received approval on the BAF Tracking Study Inspection methodology. The BAF study was finalized and published in the fourth quarter of 2022.

Supervisors are conducting the reviews and documentation that this Paragraph requires. Although efforts to improve accountability are ongoing, the relevant data establishes that MCSO is complying with the requirements of this Paragraph.

Paragraph 70. If any one of the foregoing reviews and analyses of the traffic stop data indicates that a particular Deputy or unit may be engaging in racial profiling, unlawful searches or seizures, or unlawful immigration enforcement, or that there may be systemic problems regarding any of the foregoing, MCSO shall take reasonable steps to investigate and closely monitor the situation. Interventions may include but are not limited to counseling, Training, Supervisor ride-a-longs, ordering changes in practice or procedure, changing duty assignments, Discipline, or of other supervised, monitored, and documented action plans and strategies designed to modify activity. If the MCSO or the Monitor concludes that systemic problems of racial profiling, unlawful searches or seizures, or unlawful immigration enforcement exist, the MCSO shall take appropriate steps at the agency level, in addition to initiating corrective and/or disciplinary measures against the appropriate Supervisor(s) or Command Staff. All interventions shall be documented in writing.

MCSO is in Phase 1 compliance with Paragraph 70. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO continues to implement the Constitutional Policing Plan (CPP) and continues its effort to comply with Paragraph 70. The CPP was developed as an institutional bias remediation program to

implement Paragraph 70. The Court approved the CPP in 2019, and it consists of nine goals, two of which (Goals 7 and 8) have previously been recognized as completed.

More generally, Paragraph 70 requires that MCSO address individual problems and broader systemic problems with racial profiling, unlawful searches and seizures, or unlawful immigration enforcement. The TSARs have consistently shown disparate traffic stop outcomes based on race, but the TSMRs, TSARs, TSQRs and other accountability measures that are in place have not identified racial profiling, systemic problems with unlawful searches and seizures, or unlawful immigration enforcement. MCSO continues to analyze traffic stop data to better understand the nature and causes of the disparate outcomes and identify and implement strategies to reduce those disparities. The TSARS and TSQRs include recommendations for future traffic stop studies, modifications to forms, data collection and methodologies for traffic stop studies, briefings and trainings within MCSO on issues identified in the traffic stop studies, and community education and outreach. The TSMRs provide the opportunity to address issues related to specific deputies that are identified in those monthly analyses. The ongoing traffic stop studies and related follow up based on those studies should bring MCSO into compliance with Paragraph 70's requirements.

Likewise, MCSO's ongoing work on CPP goals 1 through 6 and 9 should bring MCSO into compliance with those goals. A review of the status of those CPP goals is below.

Goal 1 of the CPP involves implementing an effective Early Intervention System with supervisor discussions. Some of this work is also related to Goal 6, which addresses improving traffic stop data collection and analysis. The major work related to Goals 1 and 6 has involved the continued implementation of TSMR process. The TSMR pilot has been completed, and the first post-pilot TSMR reviews were conducted in the previous quarter. In the TSMR, every month, traffic stops for the previous 12 months are reviewed based on an approved statistical analysis. This statistical analysis identifies specific deputies for a detailed review and, when appropriate, supervisory interventions to address specific problems. The TSMR process is one part of MCSO's comprehensive effort to prevent potentially biased policing.

MCSO has also continued to produce the TSAR and TSQRs. As described above, the TSQRs and TSARs include recommendations for follow up which is an important part of the work MCSO does to use the information generated by the traffic studies.

As part of Goal 1, a district liaison program was established to facilitate communications between the districts and BIO. These liaisons have been used on an ongoing basis since 2019.

With the TSMR pilot completed, the work identified in Goal 1 is all part of MCSO's ongoing operations. While MCSO continues the ongoing work required by this Goal, it asserts that it is in compliance with Goal 1.

Goal 2 involves evaluating Supervisor performance through an Employee Performance Appraisal (EPA) process. In the previous quarter, MCSO implemented the new performance management application which allowed supervisors to transition to completing performance appraisals in the new application. Therefore, efforts in this quarter focused on user application support, monitoring integration effectiveness, and auditing EPAs to provide feedback to raters of record and the chain of

command as a means of reinforcing training provided in late 2022 and to improve the quality of EPAs. While further application development by the vendor is required in order to make supervisor notes readily accessible to supervisors within the performance application, now that MCSO has completed the training and transitioned supervisors of sworn personnel to the new application, MCSO asserts that it is in compliance with Goal 2. Further compliance issues related to the EPA quality should be addressed in the specific Paragraphs that govern the use of EPAs, rather than this CPP goal. MCSO will continue to examine measures to enhance the quality of EPAs.

Goal 3 addresses the delivery of enhanced implicit bias training. In the previous quarter, MCSO deployed its training program focusing on the Town of Gila Bend in District 2 with the Monitoring team to staff and achieved a completion rate of 97.8%. Since then, MCSO has worked with the LGBTQ Advisory Board and several community organizations to set the foundations for the 2023 CPP Enhanced Training.

MCSO has been consistently providing the trainings required by Goal 3, and it will continue to do so. Because of its work over the past several years to provide the trainings required by Goal 3, MCSO asserts that it is in compliance with Goal 3.

Goal 4 addresses enhanced fair and impartial decision-making training. The Fair and Impartial Decision-Making training and Captains' Meetings have been scheduled, and MCSO expects no delay in delivering those trainings on time.

MCSO has been consistently providing the trainings required by Goal 4, and it will continue to do so. Because of its work over the past several years to provide the trainings required by Goal 4, MCSO asserts that it is in compliance with Goal 4.

Goal 5 addresses enhanced training on cultural competency and community perspectives on policing. Again, the Roll Call Briefings and Captains' Meetings have been scheduled and MCSO expects no delay in delivering those trainings.

MCSO continues to evaluate ways to increase participation in the Community Survey. MCSO posted a video (in both English and Spanish) to its social media pages that advertises the Community Survey and describes what drivers should expect during a traffic stop.

MCSO's ongoing training fulfills its responsibilities under Goal 5. It will continue its work related to the community survey.

Goal 6 addresses improving traffic stop data collection and analysis. The relevant work for Goal 6 includes EIS alert development, TSMR refinement and implementation, and the TSQRs. All of this work was ongoing throughout this quarter. During this quarter, MCSO completed TSQR 10, which examined searches conducted by MCSO during traffic stops. A list of traffic stop studies completed through the end of this quarter is included in **Appendix 2**.

With the completion of the TSMR pilot, the monthly, quarterly, and annual traffic stop studies are part of the ongoing work of MCSO. MCSO also continues to refine and improve its data collection through this ongoing work. MCSO asserts that it is now in compliance with Goal 6.

As previously noted, MCSO has fully completed **Goals 7** (encouraging and commending employees' performance and service to the community) **and 8** (studying the peer intervention program).

Goal 9 concerns building a workforce that provides constitutional and community-oriented policing and reflects the community MCSO serves.

MCSO's new text messaging platform has been successfully integrated with Workday (applicant tracking system), so that recruitment staff can utilize text messaging capabilities to communicate with our applicants. MCSO is still considering utilizing the text campaign services in the near future, which would allow for the ability to launch specific texting campaigns (e.g., Text "MCSO JOBS" to 1234).

All current Detention Officers continue to receive a 5% critical staffing differential, implemented in December 2022, and that is expected to remain in use as at least through June 2023, funding permitting. As long as it continues to remain high, and effective the pay period after hire, the critical staffing differential is added to the base pay rate of newly hired Detention Officer Trainees and Detention Officers as a recruiting/retention incentive.

MCSO continued evaluating Eye Detect as a potential tool to replace the polygraph exam for Detention Officer candidates, given its reliability and efficiency. After the on-site demonstration for command staff and the complimentary "test drive" of the tool, the Pre-Employment Division is comparing the Eye Detect results with the standard polygraph results of the group that participated in the test. Once the test candidates have completed the standard polygraph, MCSO will be in a position to assess whether the results indicate confidence in Eye Detect as a replacement tool for polygraph.

The email recruiting campaign to solicit interest in employment with MCSO was completed for former Detention Officers (approximately 400) and security professionals (approximately 25,000+) who have been registered through the State of Arizona. The response to these emails was limited and did not indicate a successful campaign, given the effort expended.

Billboards and banners initiated in mid-December have been placed to specifically target areas where potential lateral candidates will see the recruiting signs traveling to/from work. A trailer with the MCSO banner was placed at the entrance of our shooting range in Buckeye, which is the main highway towards one of the larger Arizona prisons. Recruitment banners are now posted at a handful of MCSO sites. MCSO is currently exploring additional mediums, including ads or sponsorships on news radio, mobile sports apps, outdoor/transit, digital rolling ads, etc.

MCSO Pre-Employment hired a Social Media Recruiter whose focus has been on managing social media accounts, creating content for social media, and creating video and other media to engage applicants with MCSO.

Finally, work began this quarter on planning for an in-person hiring event for Detention Officers in June 2023 to target individuals who recently graduated from high school. Our recruiting team plans to attend the mass graduation ceremonies being held at State Farm Stadium in May in order to promote this event and engage with new graduates. The effort is expected to include arranging for targeted marketing at this event.

MCSO acknowledges and understands the seriousness of the staffing issues, particularly in Custody Services. These are problems faced by law enforcement and detention agencies across the country. MCSO is taking comprehensive steps, as described above, to attempt to address these challenges.

Although Goal 9 is a critical part of the ongoing work of MCSO, it does not measure compliance with Paragraph 70.

Paragraph 71. In addition to the underlying collected data, the Monitor and Plaintiffs' representatives shall have access to the results of all Supervisor and agency level reviews of the traffic stop and patrol data.

MCSO remains in Full and Effective Compliance with Paragraph 71.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Section 8: Early Identification System (EIS)

Supervisory Notes-Civilian: This inspection had an overall compliance rate of 97% for this quarter. The compliance rate for January was 100%, February 97%, and March 95%.

Supervisory Note-Sworn (Patrol): The overall compliance rate for this quarter was 98%. The compliance rate for January was 98%, February 97% and March 98%.

Supervisory Notes-Detention: The overall compliance rate for this quarter was 98%. The compliance rate for January was 94%, February 100%, and March 100%.

Traffic Stop Data Collection: The overall compliance rate for this quarter was 99%. The compliance rates for January, February, and March were 99%.

Quarterly Employee Email: The quarterly employee email compliance rate for this quarter was 100%. This is a 1% increase from the previous quarter.

Quarterly CAD/Alpha Paging: This inspection had an overall compliance rate of 100% for this quarter.

Quarterly Patrol Shift Rosters: The overall compliance rate for this quarter was 97%. MCSO has continued to adhere to the proper span of control for Deputy-to-Sergeant patrol squad ratios.

Reviewed Traffic Stop Data: The overall compliance rate for the Reviewed Traffic Stop Data inspections was 100%.

Discussed Traffic Stop Data: The overall compliance rate for the Discussed Traffic Stop Data inspections was 100%.

Patrol Activity Logs: The overall compliance rate for the Patrol Activity Log inspection was 99%. The compliance rate in January was 100%, February 100%, and March 98%.

Misconduct Investigations: The overall compliance rate for the Misconduct Investigations inspection was 100%. The compliance rate in January was 100%, February 100%, and 99% for March.

Complaint Intake Testing: The overall compliance rate for this quarter was 96%. The compliance rate for January was 100%, February 95%, and March 93%.

Quarterly EIS Alerts: The overall compliance rate for this quarter was 100%.

Post-Stop Ethnicity: The overall compliance rate for this quarter was 97%. The compliance rate for January was 99%, February 100%, and March 99%.

CPP Briefing: In March 2023, AIU conducted a briefing note inspection for the CPP to ensure that CPP Roll Call briefings are being conducted. The purpose of the inspection was to ensure compliance with MCSO policies and to promote proper supervision. To achieve this, a random sample of Sworn, Reserve and DSA personnel was chosen by the AIU inspector. To ensure consistent inspections, the CPP Briefing Inspection Matrix developed by the AIU will be utilized. In March 2023, AIU conducted a briefing note inspection for the CPP follow up MCSO Administrative Broadcast 2023-09 and 2023-16, which requires Sworn, Reserve and DSA personnel to view the CPP video "Implicit Bias Roll Call Briefing Attestations" through The HUB. The briefing discussion and video are to be documented by the supervisor through The HUB no later than March 15, 2023. No inspections were completed during the months of January and February; the compliance rate for March was 99%. The overall compliance

rate for the first quarter of 2023 was 99%.

Targeted Integrity Inspection Report: In this quarter, AIU conducted a Targeted Integrity audit. The inspection specifically focused on patrol units responding to calls for service during December 2022. The inspection focus was on Body-Worn Cameras (BWC) for deputies, deputy service aides, and supervisors assigned to patrol to ensure they are being placed in “Event Mode” upon arrival at a call for service and to ensure there were no unauthorized breaks in the video or late activations. The determination by AIU regarding the disposition of this targeted inspection is a Procedural Fail. AIU did not observe evidence of criminal, serious, or continual, repetitive, and willful acts of minor misconduct. However, as 4 of 30 service incidents had observed deficiencies, BIO believes a successful identification rate of 86.67% to be a Procedural Fail. As the employee’s actions were not in accordance with the procedures set forth in Office Policy, but did not rise to the level of criminal or serious misconduct, section 303 of the BIO Operations Manual does not require a referral to the Professional Standards Bureau, but the actions will be reported as deficiencies to the respective Division Commanders through the BAF process. The overall compliance rate for the first quarter of 2023 was Procedural Fail.

The following table indicates the inspection monthly compliance rates and the overall compliance rates for the fourth quarter of 2022:

General Comments Regarding EIS

The MCSO Early Identification System (EIS) has evolved since its inception and has become one of the most robust Early Intervention Systems in the country. The EIS tracks or utilizes 79 different incident types and uses IAPRO, Blue Team, and EIPRO applications to provide tools and information necessary for supervisors to support effective supervision.

The EIU maintains the EIS system on a day-to-day basis for identification of employee behaviors that may require intervention. The EIU also facilitates training related to the EIS, builds and tracks action plans, manages the EIS alert process, and offers assistance to field personnel to support effective supervision and achieve full compliance.

During this reporting period, the IAPRO system generated 205 alerts. EIU's evaluation of these alerts led to the creation and distribution of 87 EIS Alerts to supervisors for review. Once EIS alerts are returned from the field, the Alert Review Committee (ARC) verifies that alerts and interventions were properly documented. This adds additional time to the overall alert process but has improved the quality of alert documentation. EIU staff continue to work on alert tracking and assist supervisors to improve timeframe compliance. EIU has developed internal processes to track alerts in the field for compliance with the 30-day timeframe. The goal is to improve compliance with the EIS alert inspections. For this quarter, compliance rates for the EIS alert inspections were 100%. In addition to timeframe compliance, BIO began analysis of interventions with the Quarterly EIS Alert Inspection. The methodology for analysis of interventions was approved in the fourth quarter of 2022. AIU completed the analysis and findings were published in the EIS Alert Inspection Report in this quarter.

The Threshold Analysis project is underway and EIU staff continue to evaluate various thresholds. During this quarter, Thresholds Analysis Reports for Vehicle Accident and Vehicle Pursuits were submitted for review to the Monitor Team. Up next for creation are Internal and External Complaints which are currently being analyzed and updated with current data. EIU submitted proposed threshold updates in the first quarter of 2023.

The Operations Manual remains under development with plans to submit and finalize updates to EIU sections in the second quarter of 2023. Section 302 - Alert Processes, Section 800 – Appendices, and Appendices A, B, C, D, E, and G were submitted for approval during the first quarter of 2023.

In addition to alert processing and listed projects, EIU personnel are tasked with ensuring and maintaining the proper use of the EIS. This includes quality assurance of data being entered into EIS via Blue Team. For this quarter, EIU staff processed and quality assured the following entries:

Paragraph 72. *MCSO shall work with the Monitor, with input from the Parties, to develop, implement and maintain a computerized EIS to support the effective supervision and management of MCSO Deputies and employees, including the identification of and response to potentially problematic behaviors, including racial profiling, unlawful detentions and arrests, and improper enforcement of Immigration-Related Laws within one year of the Effective Date. MCSO will regularly use EIS data to promote lawful, ethical and professional police practices; and to evaluate the performance of MCSO Patrol Operations Employees across all ranks, units and shifts.*

MCSO is in Phase 1 compliance with Paragraph 72. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

In this quarter, EIU resubmitted Section 302 of the EIU Operations Manual to the Monitoring Team. In this quarter, the first report of the EIS Alert Inspection Methodology was published. The Threshold Analysis Project is underway. The work on the NTCF project proceeds.

Traffic Stop Monthly Reports have been piloted since April 2021. These monthly reports identify disparate outcomes in traffic stop activity based on race and ethnicity over the course of the previous

12 months of data. Flags are tracked in the EIS system and MCSO is monitoring, investigating, and intervening on Deputies when necessary. All relevant TSMR guiding documents were finalized and approved by the Monitor in the previous quarter, and the TSMR formally moved out of the pilot program in this quarter.

MCSO is using the EIS as intended by this Paragraph and continues to make improvements. When the NTCF project is completed and implemented, as well as final updates to the EIU Operations Manual, MCSO believes it should be in compliance with this Paragraph.

***Paragraph 73.** Within 180 days of the Effective Date, MCSO shall either create a unit, which shall include at least one full-time-equivalent qualified information technology specialist, or otherwise expand the already existing role of the MCSO information technology specialist to facilitate the development, implementation, and maintenance of the EIS. MCSO shall ensure that there is sufficient additional staff to facilitate EIS data input and provide Training and assistance to EIS users. This unit may be housed within Internal Affairs (“IA”).*

MCSO remains in Full and Effective Compliance with Paragraph 73.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone’s 29th Quarterly Report (Doc. 2703-1).

***Paragraph 74.** MCSO shall develop and implement a protocol setting out the fields for historical data, deadlines for inputting data related to current and new information, and the individuals responsible for capturing and inputting data.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 74.

MCSO has been in compliance with this Paragraph since March 30, 2019.

The Monitor’s 29th, 30th, 31st, 32nd, 33rd, 34th, and 35th Quarterly Reports noted that the data for initial runs of the TSMR process included roughly 500 stops with incorrect geographic data. This occurred in instances where a Deputy’s GPS unit was either disconnected or not recognized by MCSO’s GIS Maproll. To address the problem and prevent it from happening again, BIO implemented monthly procedures to identify and correct inaccurate GPS readings before each TSMR report is run. This is a manual process completed by TSAU and Research Unit Staff that involves the manual lookup of the GPS coordinates described in the Location Field of the VSCF. As these corrections are made, they are saved in a table that can be joined to the next data extract so it will automatically update the corrected x and y coordinates into future extracts (including TSAR, TSMR and TSQR Extracts). This process keeps the number that must be corrected each month to a manageable number—roughly 40 to 100 stops each month. Additionally, MCSO’s technology and radio staff are constantly working with MCSO’s cellular vendors to improve connectivity and minimize the “dead zones” for the GPS antennae and replacing broken equipment.

Paragraph 75. *The EIS shall include a computerized relational database, which shall be used to collect, maintain, integrate, and retrieve:*

- a. *all misconduct Complaints or allegations (and their dispositions), excluding those made by inmates relating to conditions of confinement or conduct of detention officers (i.e., any complaint or allegation relating to a traffic stop shall be collected and subject to this Paragraph even if made by an inmate);*
- b. *all internal investigations of alleged or suspected misconduct;*
- c. *data compiled under the traffic stop data collection and the patrol data collection mechanisms;*
- d. *all criminal proceedings initiated, as well as all civil or administrative claims filed with, and all civil lawsuits served upon, the County and/or its Deputies or agents, resulting from MCSO Patrol Operations or the actions of MCSO Patrol Operation Personnel;*
- e. *all arrests;*
- f. *all arrests in which the arresting Deputy fails to articulate probable cause in the arrest report, or where an MCSO Supervisor, court or prosecutor later determines the arrest was not supported by probable cause to believe a crime had been committed, as required by law;*
- g. *all arrests in which the individual was released from custody without formal charges being sought;*
- h. *all Investigatory Stops, detentions, and/or searches, including those found by the Monitor, an MCSO supervisor, court or prosecutor to be unsupported by reasonable suspicion of or probable cause to believe a crime had been committed, as required by law;*
- i. *all instances in which MCSO is informed by a prosecuting authority or a court that a decision to decline prosecution or to dismiss charges, and if available, the reason for such decision;*
- j. *all disciplinary action taken against employees;*
- k. *all non-disciplinary corrective action required of employees;*
- l. *all awards and commendations received by employees;*
- m. *Training history for each employee; and*
- n. *bi-monthly Supervisory observations of each employee.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 75.

MCSO has been in compliance with this Paragraph since March 30, 2019.

Paragraph 76. *The EIS shall include appropriate identifying information for each involved Deputy (i.e., name, badge number, shift and Supervisor) and civilian (e.g., race and/or ethnicity).*

MCSO remains in Full and Effective Compliance with Paragraph 76.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 77. MCSO shall maintain computer hardware, including servers, terminals and other necessary equipment, in sufficient amount and in good working order to permit personnel, including Supervisors and commanders, ready and secure access to the EIS system to permit timely input and review of EIS data as necessary to comply with the requirements of this Order.

MCSO remains in Full and Effective Compliance with Paragraph 77.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 78. MCSO shall maintain all personally identifiable information about a Deputy included in the EIS for at least five years following the Deputy's separation from the agency. Information necessary for aggregate statistical analysis will be maintained indefinitely in the EIS. On an ongoing basis, MCSO shall enter information into the EIS in a timely, accurate, and complete manner, and shall maintain the data in a secure and confidential manner. No individual within MCSO shall have access to individually identifiable information that is maintained only within EIS and is about a deputy not within that individual's direct command, except as necessary for investigative, technological, or auditing purposes.

MCSO remains in Full and Effective Compliance with Paragraph 78.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 79. The EIS computer program and computer hardware will be operational, fully implemented, and be used in accordance with policies and protocols that incorporate the requirements of this Order within one year of the Effective Date. Prior to full implementation of the new EIS, MCSO will continue to use existing databases and resources to the fullest extent possible, to identify patterns of conduct by employees or groups of Deputies.

MCSO is in Phase 1 compliance with Paragraph 79. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

The Monitor's 34th Quarterly Report identified two projects that MCSO needs to complete to be in compliance with this Paragraph: (1) complete and publish the results of new methodologies for the TSMR and (2) "create an analytical plan for the [NTCFs]." Monitor's 34th Quarterly Report (Doc. 2869) at 112. Progress is being made on both projects. All TSMR guiding documentation was approved by the Monitor during the third quarter of 2022 and published in the previous quarter. Thus, the TSMR pilot was completed, and the TSMR continues as part of MCSO's day-to-day operations. Additionally, in this quarter, MCSO published a revised GH-5, *Early Identification System*, that includes an Attachment C discussing the use and implementation of the TSMR. MCSO believes its ongoing TSMR implementation satisfies the requirements in Paragraph 79. It is working to complete the work on the NTCFs that the Monitor has identified for compliance with this Paragraph. MCSO continues to use the EIS as required by this Paragraph.

Paragraph 80. MCSO will provide education and training to all employees, including Deputies, Supervisors and commanders regarding EIS prior to its implementation as appropriate to facilitate proper understanding and use of the system. MCSO Supervisors shall be trained in and required to use EIS to ensure that each Supervisor has a complete and current understanding of the employees under the Supervisor's command. Commanders and Supervisors shall be educated and trained in evaluating and making appropriate comparisons in order to identify any significant individual or group patterns. Following the initial implementation of the EIS, and as experience and the availability of new technology may warrant, MCSO may propose to add, subtract, or modify data tables and fields, modify the list of documents scanned or electronically attached, and add, subtract, or modify standardized reports and queries. MCSO shall submit all such proposals for review by the Monitor pursuant to the process described in Section IV.

MCSO remains in Full and Effective Compliance with Paragraph 80.

Paragraph 81. MCSO shall develop and implement a protocol for using the EIS and information obtained from it. The protocol for using the EIS shall address data storage, data retrieval, reporting, data analysis, pattern identification, identifying Deputies for intervention, Supervisory use, Supervisory/agency intervention, documentation and audit. Additional required protocol elements include:

- a. comparative data analysis, including peer group analysis, to identify patterns of activity by individual Deputies and groups of Deputies;
- b. identification of warning signs or other indicia of possible misconduct, including, but not necessarily limited, to:
 - i. failure to follow any of the documentation requirements mandated pursuant to this Order;
 - ii. racial and ethnic disparities in the Deputy's traffic stop patterns, including disparities or increases in stops for minor traffic violations, arrests following a traffic stop, and immigration status inquiries, that cannot be explained by statistical modeling of race neutral factors or characteristics of Deputies' specific duties, or racial or ethnic disparities in traffic stop patterns when compared with data of a Deputy's peers;
 - iii. evidence of extended traffic stops or increased inquiries/investigations where investigations involve a Latino driver or passengers;
 - iv. a citation rate for traffic stops that is an outlier when compared to data of a Deputy's peers, or a low rate of seizure of contraband or arrests following searches and investigations;
 - v. complaints by members of the public or other officers; and
 - vi. other indications of racial or ethnic bias in the exercise of official duties;
- c. MCSO commander and Supervisor review, on a regular basis, but not less than bimonthly, of EIS reports regarding each officer under the commander or Supervisor's direct command and, at least quarterly, broader, pattern-based reports;

- d. *a requirement that MCSO commanders and Supervisors initiate, implement, and assess the effectiveness of interventions for individual Deputies, Supervisors, and units, based on assessment of the information contained in the EIS;*
- e. *identification of a range of intervention options to facilitate an effective response to suspected or identified problems. In any cases where a Supervisor believes a Deputy may be engaging in racial profiling, unlawful detentions or arrests, or improper enforcement of Immigration-Related Laws or the early warning protocol is triggered, the MCSO shall notify the Monitor and Plaintiffs and take reasonable steps to investigate and closely monitor the situation, and take corrective action to remedy the issue. Interventions may include but are not limited to counseling, Training, Supervisor ride-alongs, ordering changes in practice or procedure, changing duty assignments, Discipline, or other supervised, monitored, and documented action plans and strategies designed to modify activity. All interventions will be documented in writing and entered into the automated system;*
- f. *a statement that the decision to order an intervention for an employee or group using EIS data shall include peer group analysis, including consideration of the nature of the employee's assignment, and not solely on the number or percentages of incidents in any category of information recorded in the EIS;*
- g. *a process for prompt review by MCSO commanders and Supervisors of the EIS records of all Deputies upon transfer to their supervision or command;*
- h. *an evaluation of whether MCSO commanders and Supervisors are appropriately using the EIS to enhance effective and ethical policing and reduce risk; and*
- i. *mechanisms to ensure monitored and secure access to the EIS to ensure the integrity, proper use, and appropriate confidentiality of the data.*

MCSO is in Phase 1 compliance with Paragraph 81. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

In this quarter, MCSO completed the Threshold Analysis Review Process (TARP) for vehicle pursuit and vehicle accident thresholds in the EIS system and submitted them for approval. The NTCF study was completed and forwarded to MCSO command for internal review. The TSMR vetting, review, and intervention documentation has been completed within the timeframes outlined in the TSAU manual. Additionally, MCSO formally incorporated the TSMR into GH-5, *Early Identification System*. MCSO continues to work to achieve compliance with the requirements of this Paragraph. AIU and EIU continue to work with divisions to increase compliance as well as address deficiencies through BAFs.

Section 9: Supervision and Evaluation of Officer Performance

On September 5, 2017, MCSO instituted the Chain of Command program which delineates the reporting structure for every employee in the Office. The program is used to align every employee with their current Supervisor so that necessary and/or required documentation is routed/captured by the required systems that currently link into the program. Additionally, MCSO Training Division continues to deliver training to newly promoted employees to ensure they have the training and skills necessary to be successful.

Paragraph 83. *MCSO Supervisors shall provide the effective supervision necessary to direct and guide Deputies. Effective supervision requires that Supervisors: respond to the scene of certain arrests; review each field interview card and incident report; confirm the accuracy and completeness of Deputies' daily activity reports; respond to each Complaint of misconduct; ensure Deputies are working actively to engage the community and increase public trust and safety; provide counseling, redirection, support to Deputies as needed, and are held accountable for performing each of these duties.*

MCSO remains in Full and Effective Compliance with Paragraph 83.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 33rd Quarterly Report (Doc. 2820-1).

Paragraph 84. *Within 120 days of the Effective Date, all patrol Deputies shall be assigned to a single, consistent, clearly identified Supervisor. First-line field Supervisors shall be assigned to supervise no more than twelve Deputies.*

Paragraph 85. *First-line field Supervisors shall be required to discuss individually the stops made by each Deputy they supervise with the respective Deputies no less than one time per month in order to ensure compliance with this Order. This discussion should include, at a minimum, whether the Deputy detained any individuals stopped during the preceding month, the reason for any such detention, and a discussion of any stops that at any point involved any immigration issues.*

MCSO remains in Full and Effective Compliance with Paragraph 85.

Paragraph 86. *On-duty field Supervisors shall be available throughout their shift to provide adequate on-scene field supervision to Deputies under their direct command and, as needed, to provide Supervisory assistance to other units. Supervisors shall be assigned to and shall actually work the same days and hours as the Deputies they are assigned to supervise, absent exceptional circumstances.*

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 87. *MCSO shall hold Commanders and Supervisors directly accountable for the quality and effectiveness of their supervision, including whether commanders and Supervisors identify and effectively respond to misconduct, as part of their performance evaluations and through non-disciplinary corrective action, or through the initiation of formal investigation and the disciplinary process, as appropriate.*

MCSO is in Phase 1 compliance with Paragraph 87. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

In this quarter, MCSO focused on EPA application system user support, monitoring integration effectiveness, and auditing EPAs to provide feedback to raters of record and the chain of command as a means of reinforcing training provided in late 2022 and to improve the quality of EPAs. Additional information regarding this quarter's work relating to performance management is described in Paragraph 70's description of Goal 2 of the CPP.

MCSO anticipates that the adopted performance management policy and system will improve MCSO's compliance rating for this Paragraph as MCSO continues to explore ways to further the quality of the EPAs.

Paragraph 88. *To ensure compliance with the terms of this Order, first-line Supervisors in any Specialized Units enforcing Immigration-Related Laws shall directly supervise the law enforcement activities of new members of the unit for one week by accompanying them in the field, and directly supervise the in-the-field-activities of all members of the unit for at least two weeks every year.*

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 89. *A Deputy shall notify a Supervisor before initiating any immigration status investigation, as discussed in Paragraph 28. Deputies shall also notify Supervisors before effectuating an arrest following any immigration-related investigation or for an Immigration Related Crime, or for any crime related to identity fraud or lack of an identity document. The responding Supervisor shall approve or disapprove the Deputy's investigation or arrest recommendation based on the available information and conformance with MCSO policy. The Supervisor shall take appropriate action to*

address any deficiencies in Deputies' investigation or arrest recommendations, including releasing the subject, recommending non-disciplinary corrective action for the involved Deputy, and/or referring the incident for administrative investigation.

***Paragraph 90.** MCSO Deputies shall submit documentation of all stops and Investigatory Detentions conducted to their Supervisors by the end of the shift in which the action occurred. Absent exceptional circumstances, within 72 hours of receiving such documentation, a Supervisor shall independently review the information. Supervisors shall review reports and forms for Boilerplate or conclusory language, inconsistent information, lack of articulation of the legal basis for the action, or other indicia that the information in the reports or forms is not authentic or correct. Appropriate disciplinary action should be taken where Deputies routinely employ Boilerplate or conclusory language.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 90.

MCSO has been in compliance with this Paragraph since September 30, 2017.

***Paragraph 91.** As part of the Supervisory review, the Supervisor shall document any Investigatory Stops and detentions that appear unsupported by reasonable suspicion or are otherwise in violation of MCSO policy or stops or detentions that indicate a need for corrective action or review of agency policy, strategy, tactics, or Training. The Supervisor shall take appropriate action to address all violations or deficiencies in Investigatory Stops or detentions, including recommending non-disciplinary corrective action for the involved Deputy, and/or referring the incident for administrative or criminal investigation.*

MCSO asserts Full and Effective Compliance with the requirements of Paragraph 91 in accordance with Paragraph 13.

MCSO asserts that it has been in compliance with the requirements of Paragraph 91 for at least three consecutive years. Phase 1 and Phase 2 compliance with Paragraph 91 was first achieved on March 31, 2020. MCSO achieved three consecutive years of Phase 1 and Phase 2 compliance with this Paragraph on March 31, 2023.

Phase 1 compliance with the requirements of this Paragraph is demonstrated by EA-11 (Arrest Procedures), most recently amended on May 28, 2021; EB-1 (Traffic Enforcement, Violator Contacts, and Citation Issuance), most recently amended on April 27, 2022; and GF-5 (Incident Report Guidelines), most recently amended on March 24, 2022.

Phase 2 compliance with the requirements of this Paragraph is demonstrated by the Monitor's review of traffic stop data and VSCF documentation. The Monitor has consistently found that MCSO has been

in compliance with the requirements of this Paragraph.

Paragraph 92. *Supervisors shall use EIS to track each subordinate's violations or deficiencies in Investigatory Stops or detentions and the corrective actions taken, in order to identify Deputies needing repeated corrective action. Supervisors shall notify IA. The Supervisor shall ensure that each violation or deficiency is documented in the Deputy's performance evaluations. The quality and completeness of these Supervisory reviews shall be taken into account in the Supervisor's own performance evaluations. MCSO shall take appropriate corrective or disciplinary action against Supervisors who fail to conduct complete, thorough, and accurate reviews of Deputies' stops and Investigatory Detentions.*

MCSO is in Phase 1 compliance with Paragraph 92. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

As discussed in Paragraphs 70 and 87, in this quarter MCSO focused on EPA application system user support, monitoring integration effectiveness, and auditing EPAs to provide feedback to raters of record and the chain of command as a means of reinforcing training provided in late 2022 and to improve the quality of EPAs.

MCSO anticipates that the adopted performance management policy and system will improve MCSO's compliance rating for this Paragraph as MCSO continues to explore ways to further the quality of the EPAs.

Paragraph 93. *Absent extraordinary circumstances, MCSO Deputies shall complete all incident reports before the end of shift. MCSO field Supervisors shall review incident reports and shall memorialize their review of incident reports within 72 hours of an arrest, absent exceptional circumstances.*

MCSO remains in Full and Effective Compliance with Paragraph 93.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 94. *As part of the Supervisory review, the Supervisor shall document any arrests that are unsupported by probable cause or are otherwise in violation of MCSO policy, or that indicate a need for corrective action or review of agency policy, strategy, tactics, or Training. The Supervisor shall take appropriate action to address violations or deficiencies in making arrests, including notification of prosecuting authorities, recommending non-disciplinary corrective action for the involved Deputy, and/or referring the incident for administrative or criminal investigation.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 94.

MCSO has been in compliance with this Paragraph since September 30, 2021.

***Paragraph 95.** Supervisors shall use EIS to track each subordinate's violations or deficiencies in the arrests and the corrective actions taken, in order to identify Deputies needing repeated corrective action. The Supervisor shall ensure that each violation or deficiency is noted in the Deputy's performance evaluations. The quality of these supervisory reviews shall be taken into account in the Supervisor's own performance evaluations, promotions, or internal transfers. MCSO shall take appropriate corrective or disciplinary action against Supervisors who fail to conduct reviews of adequate and consistent quality.*

MCSO is in Phase 1 compliance with Paragraph 95. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

As discussed in Paragraphs 70 and 87, in this quarter MCSO focused on EPA application system user support, monitoring integration effectiveness, and auditing EPAs to provide feedback to raters of record and the chain of command as a means of reinforcing training provided in late 2022 and to improve the quality of EPAs.

MCSO anticipates that the adopted performance management policy and system will improve MCSO's compliance rating for this Paragraph as MCSO continues to explore ways to further the quality of the EPAs.

***Paragraph 96.** A command-level official shall review, in writing, all Supervisory reviews related to arrests that are unsupported by probable cause or are otherwise in violation of MCSO policy, or that indicate a need for corrective action or review of agency policy, strategy, tactics, or Training. The commander's review shall be completed within 14 days of receiving the document reporting the event. The commander shall evaluate the corrective action and recommendations in the Supervisor's written report and ensure that all appropriate corrective action is taken.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 96.

MCSO continues to stress the importance of this Paragraph's requirements through various methods, including training for all Supervisors/Commanders and in communication with Division Commanders. MCSO has been identifying and addressing these matters directly with involved Patrol Supervisors and Commanders. MCSO is encouraged by the effectiveness of its internal review processes in BIO and is committed to continued improvement in the identification and appropriate resolution of these matters at the district/division level.

The Monitor assesses compliance with this Paragraph based on its review of MCSO Incident Report Memorializations, which the Monitor refers to as Incident Memorialization Forms (IMFs). Very few IMFs are generated each quarter. In fact, in the second quarter of 2022, the Monitor deferred compliance because there were no IMFs submitted to evaluate. Because of the low numbers for this Paragraph's assessment, MCSO continues to encourage a transition to a longer review period for IMFs.

***Paragraph 97.** MCSO Commanders and Supervisors shall periodically review the EIS reports and information, and initiate, implement, or assess the effectiveness of interventions for individual*

Deputies, Supervisors, and units based on that review. The obligations of MCSO Commanders and Supervisors in that regard are described above in Paragraphs 81(c)–(h).

MCSO is in Phase 1 compliance with Paragraph 97. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

To support compliance efforts, MCSO continues to audit Supervisor Notes for the reviews of EIS profiles. In the Monitor’s most recent quarterly report, the compliance rate for this Paragraph was 92.75%. The Monitor also indicated that the “reviews of broader pattern-based reports as required by paragraph 81.c., and assessments of interventions as required by this Paragraph[] have not been sufficiently documented to meet compliance with this Paragraph.” (Doc. 2887 at 150.) MCSO is working to address the Monitor’s outstanding concerns and to maintain the necessary compliance rate.

Paragraph 98. MCSO, in consultation with the Monitor, shall create a system for regular employee performance evaluations that, among other things, track each officer’s past performance to determine whether the officer has demonstrated a pattern of behavior prohibited by MCSO policy or this Order.

MCSO is in Phase 1 compliance with Paragraph 98. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

As discussed in Paragraphs 70 and 87, in this quarter MCSO focused on EPA application system user support, monitoring integration effectiveness, and auditing EPAs to provide feedback to raters of record and the chain of command as a means of reinforcing training provided in late 2022 and to improve the quality of EPAs.

MCSO anticipates that the adopted performance management policy and system will improve MCSO’s compliance rating for this Paragraph as MCSO continues to explore ways to further the quality of the EPAs.

Paragraph 99. The review shall take into consideration all past Complaint investigations; the results of all investigations; Discipline, if any, resulting from the investigation; citizen Complaints and commendation; awards civil or administrative claims and lawsuits related to MCSO operations; Training history; assignment and rank history; and past Supervisory actions taken pursuant to the early warning protocol.

MCSO is in Phase 1 compliance with Paragraph 99. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance with Paragraph 99.

In the third quarter of 2021, the Monitor determined that MCSO was no longer in compliance with this Paragraph. Prior to this, MCSO had been in compliance with Paragraph 99 since March 30, 2019. In the third quarter of 2022, 33 of 37 EPA’s reviewed met this Paragraph’s requirements, for a rating of 89.19%. The compliance rate increased to 93% in the fourth quarter 2022.

As is true of the other paragraphs that involve a review of EPAs, MCSO anticipates that the new EPA system will improve compliance with this Paragraph. MCSO will follow up on specific deficiencies that the Monitor identifies in an effort to improve quality.

Paragraph 100. The quality of Supervisory reviews shall be taken into account in the Supervisor's own performance evaluations.

MCSO is in Phase 1 compliance with Paragraph 100. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

As described in the other Paragraphs concerning EPAs, MCSO anticipates that the implementation of the new performance management application will improve compliance. MCSO continues to review the implementation of the EPA system and the issues identified by the Monitor to attempt to improve compliance.

Paragraph 101. Within 180 days of the Effective Date, MCSO shall develop and implement eligibility criteria for assignment to Specialized Units enforcing Immigration-Related Laws.

MCSO remains in Full and Effective Compliance with Paragraph 101.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Section 10: Misconduct and Complaints

This Section establishes basic requirements for reporting, auditing, tracking Complaints, the duty to cooperate with investigations, and other requirements related to misconduct and related investigations.

Paragraph 102. *MCSO shall require all personnel to report without delay alleged or apparent misconduct by other MCSO Personnel to a Supervisor or directly to IA that reasonably appears to constitute: (i) a violation of MCSO policy or this Order; (ii) an intentional failure to complete data collection or other paperwork requirements required by MCSO policy or this Order; (iii) an act of retaliation for complying with any MCSO policy; (iv) or an intentional provision of false information in an administrative investigation or any official report, log or electronic transmittal of information. Failure to voluntarily report or document apparent misconduct described in this Paragraph shall be an offense subject to Discipline.*

Paragraph 103. *Within one year of the Effective Date, MCSO shall develop a plan for conducting regular, targeted, and random integrity audit checks to identify and investigate Deputies possibly engaging in improper behavior, including: Discriminatory Policing; unlawful detentions and arrests; improper enforcement of Immigration-Related Laws; and failure to report misconduct.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 103.

AIU currently conducts regular, targeted, and random integrity audit checks. The regular and random integrity checks are done through monthly and quarterly inspections. The Targeted Integrity Test methodology was approved in August 2020. The Monitoring Team has noted that Paragraph 103 does not set frequency standards for the Integrity test. AIU is committed to identifying areas for the Targeted Integrity Tests on a continual basis. Each Targeted Integrity Test ranges in scope and the number of work hours required to complete the test, resulting in the possibility of final reports not being completed each quarter or the possibility of multiple reports being completed in a quarter.

MCSO has been in compliance with this Paragraph since December 31, 2020.

Paragraph 104. *Subject to applicable laws, MCSO shall require Deputies to cooperate with administrative investigations, including appearing for an interview when requested by an investigator and providing all requested documents and evidence. Supervisors shall be notified when a Deputy under their supervision is summoned as part of an administrative investigation and shall facilitate the Deputy's appearance, absent extraordinary and documented circumstances.*

The Monitor and Plaintiffs' representatives shall maintain the confidentiality of any information therein that is not public record. Disclosure of records of pending investigations shall be consistent with state law.

Section 11: Community Engagement

MCSO remains engaged in delivering quality community engagement. MCSO acts to attain and sustain community engagement through the development of community partnerships with community members, local businesses, established faith-based groups and non-profit organizations. To further community engagement activity, the Office organized the Community Outreach Division (COrD). COrD has been instrumental in promoting and participating in events that unite MCSO personnel with community members in comfortable, non-law enforcement environments.

MCSO Quarterly Reports record community policing activities performed by MCSO Patrol Deputies across the county. For this quarter, MCSO registered 108 events, with public attendance reaching 22,089. During this same period, MCSO recorded 605 occasions of community policing utilizing the Computer Aided Dispatch System; those engagements totaled over 1,321 staff hours and are primarily attributed to the community policing activities of Patrol Deputies. COrD has continually worked to bring MCSO and the community together with existing programs along with developing new relationships and programs in the community.

Through the above-mentioned collaborations, MCSO participated in several community events. The events listed below are just a sample of the events and programs MCSO participated in this quarter.

On January 16, 2023, MCSO participated in the 2023 Annual MLK Festival. MCSO hosted a resource table and was able to interact with various community groups, youth and parents, and other participants who attended the event. By attending this event, we were able to show the positive presence and interaction that law enforcement can have in the community. There were over 500 participants who attended this event.

January 14 & 15 – the MCSO Cadets took part in a multi-day, multi-agency competition meeting other cadets, officers, and Sheriff's Deputies from all over the country in what is known as the Chandler Tactical Cadet Competition. This provided an energetic action-filled arena where all the cadets and officer's/deputies interacted with each other, sharing experiences, and testing their skills. While this was a great opportunity, on January 21, the cadets also participated in local training with Scottsdale and Mesa for an open field search exercise with K-9 teams from those agencies working with the cadets to introduce them into the difficulty of working in the desert. On January 26, there was a presentation on the Sheriff's Office and the Cadet Program at Mountain View H.S.

On January 18, MCSO Team conducted a presentation for the Refugee Lutheran Social Services Southwest Services aimed at refugees to inform them about laws they should be aware of and safety issues. There were approximately 20-30 participants in these presentations. The refugees come from different parts of the world and the presentations generally involve three to four interpreters.

On January 19, MCSO gave a presentation related to vaping to Discover U. We presented it to their 5th and 6th grade classes. There were about 40 people attending this presentation. The students and teachers were all very interested in this presentation. We have maintained a good relationship with Discover U and these presentations allowed us to be more involved with this school. The students helped keep the presentations interactive by asking many questions and showing interest in this topic.

On February 2, 2023, EVIT (East Valley Institute of Technology) requested MCSO to present on the daily duties of a Detention Officer. We had the opportunity to present to approximately 500 students within EVIT's Auditorium. The students received great insight into what training is required, how to apply and what to expect as a Detention Officer. They also had the opportunity to ask questions and give their own insight on what they thought a Detention Officer's role is within the Criminal Justice system. This presentation was highly informative and motivating for those looking for a job in law enforcement.

On February 4, MCSO attended the 2023 Laveen Community Parade. This is a community event in which many local businesses and schools come out and walk, with even more that come out and watch the parade. The event brought out about 1,200 community members.

On February 10, MCSO gave a presentation at Mountain Side Middle School about vaping. MCSO spoke to about 200 students and teachers. We received positive feedback and were able to spread awareness about the dangers of vaping. This presentation was a good resource for this school because they have had issues with their students vaping. These students had many questions, and the presentations were very interactive.

On Saturday, February 11, MCSO attended Transportation Day at God's Garden Church in Ahwatukee. This event focused on family unity and mingling community members with law enforcement. This event received an estimated 2,500 people in attendance. MCSO was in attendance with a patrol vehicle and made positive contact with those in attendance.

On Wednesday, February 22, MCSO hosted Crime Scene Investigators (CSI) visiting from Colombia. Approximately 20 Colombian CSIs participated in a mock homicide scene, a tour of property and evidence and a tour of the MCSO Crime Lab. Community Outreach assisted with Spanish translation to make guests feel comfortable and welcome. Positive feedback was received highlighting the fantastic job by Crime Lab personnel and Community Outreach. CSIs were able to gain valuable knowledge and work together with Maricopa County CSIs to ultimately learn from one another.

On February 23, MCSO had a Neighborhood Watch meeting in Mesa, AZ. Community Outreach oversees the Neighborhood Watch Program and conducts these meetings with different communities in the County. This meeting involved a community called the Lost Dutchman's Club. There was approximately 100+ community members in attendance. The presentation was about the Neighborhood Watch Program and crime prevention.

On February 26, MCSO was invited to the annual Community Award Service and Fellowship Dinner held at the New Vision Christian Fellowship Church Ministry to receive a plaque for supporting their efforts in the community. The team was able to interact with community members, various local, state, and federal law enforcement officers, and youth from the community. By receiving the plaque, this shows a positive presence the MCSO has in their community and beyond.

On March 2, 2023, MCSO hosted a tour of our Training Facility for high school students from Higley High School. The tour was given to students after a presentation on Detention Officer duties and responsibilities. The students spoke with training staff and had the opportunity to ask questions about our operations and the training involved in becoming an officer. We also had them use our MILO

virtual simulation system which gave them an idea of what officers encountered out on the road. They also entered our Mock Jail which gave them even further insight into what it would be like for an officer to work in the jail. The class had approximately 30 participants and was very informative to the youth looking to be involved in law enforcement.

On March 8, MCSO participated with the non-profit organization All on Board to take 25 students from a marginalized community to Snowbowl for the opportunity to ski at no cost to them. The trip also provides instruction to the students with lessons in facing fears, identifying failures, and responding to setbacks and recognizing positive role models in your life.

March 17 through March 19, MCSO partnered with the Chandler Police Cadets to assist on-duty officers in the Ostrich Festival. The cadets' duties included lost children tent, security patrols in and around the event, and general information to the community as required. Our Cadets received high praise from the Chandler P.D. Commanders at the event. The Cadets put in 40 plus hours of volunteer time over the weekend.

On March 24, MCSO gave a vaping presentation at Stevenson Elementary School. There were about 100 students and teachers present. We went to individual classrooms to have a more personal interaction with the students. We were able to create a positive relationship with Stevenson's students and teachers. While we were presenting, we learned that this school is also having issues with their students vaping.

Also on March 25, MCSO attended the Annual Latino Cultural Festival at the Maryvale Community Center. This was the second time this event was hosted for the Maryvale community. Community members in attendance were able to see Latino traditions and listen to live Spanish traditional music. MCSO was the only law enforcement agency present to support this event and the community.

Elsewhere on March 25, MCSO attended the Goodyear Little League 2023 Opening Day, where attendance reached 2,000. Many community members came to the booth and asked questions about recruitment and youth programs available, and MCSO was the only law enforcement agency in attendance.

On March 28, MCSO gave a presentation about fentanyl at the Brett Tarver Community Center in Phoenix. The presentation was in Spanish, and approximately 20 people attended. With the growing issues involving this drug, the Community Outreach team is educating adults and teens on the dangers of Fentanyl. This particular program was aimed at the Hispanic community.

On March 29, MCSO attended the "Career Fair" at American Leadership Academy in Waddell. This was a great way for elementary, junior high, and high schoolers to see Law Enforcement as a possible career. Many questions were answered and clarified, making the youth aware that "Law Enforcement" agencies are not just cops, but that MCSO has many other options such as detention and civilian jobs like HR, Accounting and more.

The aforementioned community events are part of MCSO's proactive approach and its continued efforts to be involved with programs that generate positive relationships between law enforcement,

young members of the community, school districts, and other community providers to offer diversions and other methods of keeping young people out of the justice system.

Paragraph 109. *The Monitor shall hold at least one public meeting per quarter to coincide with the quarterly site visits by the Monitor in a location convenient to the Plaintiffs class. The meetings shall be for the purpose of reporting the MCSO's progress in implementing this Order. These meetings shall be used to inform community members of the policy changes or other significant actions that the MCSO has taken to implement the provisions of this Order. Summaries of audits and reports completed by the MCSO pursuant to this Order shall be made available. The meetings shall be under the direction of the Monitor and/or his designee. The Sheriff and/or the MCSO will participate in the meetings to provide substantive comments related to the Melendres case and the implementation of the orders resulting from it, as well as answer questions related to its implementation, if requested to do so by the Monitor or the community. If the Sheriff is unable to attend a meeting due to other obligations, he shall notify the Monitor at least 30 days prior to that meeting. The Monitor shall consult with Plaintiffs' representatives and the Community Advisory Board on the location and content of the meetings. The Monitor shall clarify for the public at these meetings that MCSO does not enforce immigration laws except to the extent that it is enforcing Arizona and federal criminal laws.*

Paragraph 109 is not applicable to MCSO.

The Monitor did not hold a public meeting under this Paragraph in this quarter.

Paragraph 113. *MCSO shall select or hire a Community Liaison who is fluent in English and Spanish. The hours and contact information of the MCSO Community Outreach Division ("COD") shall be made available to the public including on the MCSO website. The COD shall be directly available to the public for communications and questions regarding the MCSO.*

MCSO remains in Full and Effective Compliance with Paragraph 113.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 32nd Quarterly Report (Doc. 2782-1).

Paragraph 114. *The COD shall have the following duties in relation to community engagement:*

- a. to coordinate the district community meetings described above in Paragraphs 109 to 112;*
- b. to provide administrative support for, coordinate and attend meetings of the Community Advisory Board described in Paragraphs 117 to 118;*
- c. to compile any complaints, concerns and suggestions submitted to the COD by members of the public about the implementation of this Order and the Court's order of December 23, 2011, and its findings of fact and conclusions of law dated May 24, 2013, even if they don't rise to the level of requiring formal action by IA or other component of the MCSO, and to respond to Complainants' concerns; and*
- d. to communicate concerns received from the community at regular meetings with the*

Monitor and MCSO leadership.

MCSO remains in Full and Effective Compliance with Paragraph 114.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 32nd Quarterly Report (Doc. 2782-1).

Paragraph 115. MCSO and Plaintiffs' representatives shall work with community representatives to create a Community Advisory Board ("CAB") to facilitate regular dialogue between the MCSO and the community, and to provide specific recommendations to MCSO and the Monitor about policies and practices that will increase community trust and ensure that the provisions of this Order and other orders entered by the Court in this matter are met. The MCSO shall cooperate with the Monitor to assure that members of the CAB are given appropriate access to relevant material, documents, and training so the CAB can make informed recommendations and commentaries to the Monitor.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 115.

MCSO understands the importance and value of open communication with the CAB, including ensuring that MCSO is responsive to CAB inquiries. Previously, the Monitor had found MCSO out of compliance with this Paragraph based on instances of slow response times to CAB inquiries. MCSO has since taken steps to ensure that it timely responds to inquiries from the CAB, and those efforts have had a positive effect: the Monitor found MCSO in compliance with this Paragraph in each of the past three quarters. This improvement reflects MCSO's ongoing efforts to ensure open communication with the CAB, and MCSO is committed to maintaining that relationship.

In the Monitor's recent quarterly reports, the Monitor indicated that he would "closely monitor the measure to which MCSO facilitates a better working relationship with the CAB and make compliance assessments accordingly." (Doc. 2887 at 162.) Although MCSO fully supports a strong working relationship with the CAB, it is concerned about a vague, subjective standard for assessing compliance that is disconnected from the Order's requirements. MCSO's obligation under Paragraph 115 is to "cooperate with the Monitor to assure that members of the CAB are given appropriate access to relevant material, documents and training so the CAB can make informed recommendations and commentaries to the Monitor." Compliance assessments should be based on its performance of that responsibility, and MCSO continues to fulfill that responsibility.

MCSO remains concerned that the CAB does not "facilitate regular dialogue between MCSO and the community" as required by Paragraph 115 and hopes that this can be addressed with the Monitor's assistance. In any case, MCSO will continue to fulfill its responsibilities with regard to the CAB.

Paragraph 116. The CAB shall have five members, two to be selected by MCSO and two to be selected by Plaintiffs' representatives. One member shall be jointly selected by MCSO and Plaintiffs' representatives. Members of the CAB shall not be MCSO Employees or any of the named class representatives, nor any of the attorneys involved in this case. A member of the MCSO COD and at least one representative for Plaintiffs shall attend every meeting of the CAB, but the CAB can request

that a portion of the meeting occur without COD or the Plaintiffs' representative. The CAB shall continue for at least the length of this Order.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 116.

Before moving to deferred status in the third quarter 2022, MCSO had been in compliance with Paragraph 116 since September 30, 2018. In the previous quarter, MCSO filled a vacancy on the CAB and, together with the Parties, submitted a list of candidates from which they asked the Monitor to make an appointment. The Monitor made that decision in this quarter. MCSO remains in compliance with this Paragraph.

Section 12: Misconduct Investigations, Discipline, and Grievances

This section established comprehensive requirements for misconduct investigations, discipline and grievances. Over the past several years, MCSO has worked to achieve compliance with these requirements. It is committed to fair investigations and discipline and processes that have integrity. Although PSB has succeeded in conducting quality investigations, a backlog of cases has developed that is a significant concern. Addressing these problems are a priority for MCSO.

***Paragraph 165.** Within one month of the entry of this Order, the Sheriff shall conduct a comprehensive review of all policies, procedures, manuals, and other written directive related to misconduct investigations, employee discipline, and grievances, and shall provide to the Monitor and Plaintiffs new policies and procedure or revise existing policies and procedures. The new or revised policies and procedures that shall be provided shall incorporate all of the requirements of this Order. If there are any provisions as to which the parties do not agree, they will expeditiously confer and attempt to resolve their disagreements. To the extent that the parties cannot agree on any proposed revisions, those matters shall be submitted to the Court for resolution within three months of the date of the entry of this Order. Any party who delays the approval by insisting on provisions that are contrary to this Order is subject to sanction.*

Phase 1 compliance for this Paragraph is not applicable. MCSO is in Phase 2 compliance with Paragraph 165.

MCSO has been in compliance with this Paragraph since December 31, 2021.

***Paragraph 167.** The policies shall include the following provisions:*

- a. Conflicts of interest in internal affairs investigations or in those assigned by the MCSO to hold hearings and make disciplinary decisions shall be prohibited. This provision requires the following:*
 - i. No employee who was involved in an incident shall be involved in or review a misconduct investigation arising out of the incident.*
 - ii. No employee who has an external business relationship or close personal relationship with a principal or witness in a misconduct investigation may investigate the misconduct. No such person may make any disciplinary decisions with respect to the misconduct including the determination of any grievance or appeal arising from any discipline.*
 - iii. No employee shall be involved in an investigation, whether criminal or administrative, or make any disciplinary decisions with respect to any persons who are superior in rank and in their chain of command. Thus, investigations of the Chief Deputy's conduct, whether civil or criminal, must be referred to an outside authority. Any outside authority retained by the MCSO must possess the requisite background and level of experience of internal affairs investigators and must be free of any actual or perceived conflicts of interest.*

- b. *If an internal affairs investigator or a commander who is responsible for making disciplinary findings or determining discipline has knowledge of a conflict of interest affecting his or her involvement, he or she should immediately inform the Commander of the Professional Standards Bureau or, if the holder of that office also suffers from a conflict, the highest-ranking, non-conflicted chief-level officer at MCSO or, if there is no non-conflicted chief-level officer at MCSO, an outside authority. Any outside authority retained by the MCSO must possess the requisite background and level of experience of internal affairs investigators and must be free of any actual or perceived conflicts of interest.*
- c. *Investigations into an employee's alleged untruthfulness can be initiated by the Commander of the Professional Standards Bureau or the Chief Deputy. All decisions not to investigate alleged untruthfulness must be documented in writing.*
- d. *Any MCSO employee who observes or becomes aware of any act of misconduct by another employee shall, as soon as practicable, report the incident to a Supervisor or directly to the Professional Standards Bureau. During any period in which a Monitor is appointed to oversee any operations of the MCSO, any employee may, without retaliation, report acts of alleged misconduct directly to the Monitor.*
- e. *Where an act of misconduct is reported to a Supervisor, the Supervisor shall immediately document and report the information to the Professional Standards Bureau.*
- f. *Failure to report an act of misconduct shall be considered misconduct and may result in disciplinary or corrective action, up to and including termination. The presumptive discipline for a failure to report such allegations may be commensurate with the presumptive discipline for the underlying misconduct.*
- g. *No MCSO employee with a rank lower than Sergeant will conduct an investigation at the District level.*

Paragraph 168. *All forms of reprisal, discouragement, intimidation, coercion, or adverse action against any person, civilian, or employee because that person reports misconduct, attempts to make or makes a misconduct complaint in good faith, or cooperates with an investigation of misconduct constitute retaliation and are strictly prohibited. This also includes reports of misconduct made directly to the Monitor, during any period in which a Monitor is appointed to oversee any operations of the MCSO.*

The MCSO will not terminate an administrative investigation solely on the basis that the complainant seeks to withdraw the complaint, or is unavailable, unwilling, or unable to cooperate with an investigation, or because the principal resigns or retires to avoid discipline. The MCSO will continue the investigation and reach a finding, where possible, based on the evidence and investigatory procedures and techniques available.

Paragraph 173. Any employee who is named as a principal in an ongoing investigation of serious misconduct shall be presumptively ineligible for hire or promotion during the pendency of the investigation. The Sheriff and/or the MCSO shall provide a written justification for hiring or promoting an employee or applicant who is a principal in an ongoing investigation of serious misconduct. This written justification shall be included in the employee's employment file and, during the period that the MCSO is subject to Monitor oversight, provided to the Monitor.

MCSO asserts Full and Effective Compliance with the requirements of Paragraph 173 in accordance with Paragraph 13.

MCSO asserts that it has been in compliance with the requirements of Paragraph 173 for at least three consecutive years. Phase 1 and Phase 2 compliance with Paragraph 173 was first achieved on March 31, 2018. MCSO achieved three consecutive years of Phase 1 and Phase 2 compliance with this Paragraph on March 31, 2021.

Phase 1 compliance with the requirements of this Paragraph is demonstrated by GC-4 (Employee Performance Appraisals), most recently amended on April 27, 2022; GC-4 (S) (Employee Performance Management), most recently amended on November 10, 2021; GC-11 (Employee Probationary Periods and Unclassified Employees), most recently amended on January 12, 2022; and GC-12 (Hiring and Promotional Procedures), most recently amend on November 17, 2022.

Phase 2 compliance with the requirements of this Paragraph is demonstrated by the Monitor's review of personnel files and documentation of the review protocol used when reviewing promotions. The Monitor has consistently found MCSO has been in compliance with the requirements of this Paragraph.

In the first quarter of 2022, MCSO asserted Full and Effective Compliance with this Paragraph (Doc. 2782). The Monitor disagreed with that assertion, noting prior noncompliance warnings in 2017 and 2018, and one warning in 2020. MCSO believes that its continued compliance with this Paragraph's requirements warrants a determination that MCSO is in Full and Effective Compliance with this Paragraph.

***Paragraph 174.** Employees' and applicants' disciplinary history shall be considered in all hiring, promotion, and transfer decisions, and this consideration shall be documented. Employees and applicants whose disciplinary history demonstrates multiple sustained allegations of misconduct, or one sustained allegation of a Category 6 or Category 7 offense from MCSO's disciplinary matrices, shall be presumptively ineligible for hire or promotion. MCSO shall provide a written justification for hiring or promoting an employee or applicant who has a history demonstrating multiple sustained allegations of misconduct or a sustained Category 6 or Category 7 offense. This written justification shall be included in the employee's employment file and, during the period that the MCSO is subject to Monitor oversight, provided to the Monitor.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 175.

MCSO has been in compliance with this Paragraph since September 30, 2020. MCSO has continued to stress the importance of supervisor review of disciplinary history when employees are transferred and devise strategies to ensure compliance with this Paragraph, which resulted in its most recent compliance rating reaching 96.72%.

Paragraph 193. When a single act of alleged misconduct would constitute multiple separate policy violations, all applicable policy violations shall be charged, but the most serious policy violation shall be used for determining the category of the offense. Exoneration on the most serious offense does not preclude discipline as to less serious offenses stemming from the same misconduct.

Paragraph 194. The Commander of the Professional Standards Bureau shall ensure that investigations comply with MCSO policy and all requirements of this Order, including those related to training, investigators' disciplinary backgrounds, and conflicts of interest.

MCSO is in Phase 1 compliance with Paragraph 194. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

The Monitor based Phase 2 compliance with this Paragraph on “a review of completed misconduct investigations conducted by MCSO, the review of attendance by internal investigators at required Misconduct Investigative Training, the disciplinary backgrounds of internal investigators, and the efforts being made by the PSB Commander to reach compliance.” (Monitor’s 35th Quarterly Report (Doc. 2887) at 187.) The lack of compliance with this Paragraph primarily stems from the time it takes to complete misconduct investigations. This remains a significant concern. The timeliness issue is addressed in Paragraph 204, which establishes those requirements. MCSO continues to provide training and supervision to support quality investigations.

Aside from timeliness issues, most of the concerns about quality relate to District investigations. For further discussion of District investigations, refer to Paragraph 32. To the extent there have been deficiencies in District investigations, they are typically identified in PSB’s review process. As in previous quarters, the Monitor’s most recent quarterly report notes, “We continue to find that PSB personnel are identifying and ensuring that corrections are made and all documentation is completed in those cases they review.” (Doc. 2887 at 188). For this Paragraph, which addresses the PSB commander’s responsibilities, if PSB is identifying and correcting deficiencies in District investigations, those investigations should be compliant. This Paragraph is not an evaluation of the District’s work, but the work of the PSB Commander.

Paragraph 195. Within six months of the entry of this Order, the Professional Standards Bureau shall include sufficient trained personnel to fulfill the requirements of this Order.

MCSO is in Phase 1 compliance with Paragraph 195. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO has continued its efforts to hire civilian investigators and has contracted with an outside consulting firm that is providing further investigative support. It has also been increasing its administrative staff who support the investigators’ work. At the end of this quarter, PSB staff consisted of 44 investigators, an increase from 40 investigators during the prior reporting period (excluding criminal investigators and investigators utilized outside of MCSO). PSB continues to hire and fill administrative support staff positions. PSB continues to assign additional administrative investigations to Jensen Hughes for investigation. Filling sworn positions has been and continues to be difficult for PSB and for MCSO officewide due to the current employment conditions.

The efforts to increase PSB staff and consultant support have been one part of MCSO’s effort to reduce the backlog of administrative investigations that has developed while implementing the Orders. MCSO believes that hiring more staff is part of the solution, but other issues also need to be addressed. On November 8, 2022, the Court entered an order finding the Sheriff in civil contempt because of the backlog of administrative investigations. (Third Order (Doc. 2827) at 1.) The Court’s Third Order requires a minimum of 39 investigators in PSB. (*Id.* at ¶ 340.)

PSB has demonstrated that it conducts fair, impartial, thorough, and complete misconduct investigations, and issues fair and equitable discipline when warranted. All investigators assigned to PSB receive annual training to include the initial 40-hour Misconduct Investigations training and the 8-hour annual training for conducting misconduct investigations, as specified in Paragraphs 178 and 179.

***Paragraph 196.** Where appropriate to ensure the fact and appearance of impartiality, the Commander of the Professional Standards Bureau or the Chief Deputy may refer administrative misconduct investigations to another law enforcement agency or may retain a qualified outside investigator to conduct the investigation. Any outside investigator retained by the MCSO must possess the requisite background and level of experience of Internal Affairs investigators and must be free of any actual or perceived conflicts of interest.*

The Commander of the Professional Standards Bureau will have ultimate authority within the MCSO for reaching the findings of investigations and preliminarily determining any discipline to be imposed. possesses excellent investigative skills, a reputation for integrity, the ability to write clear reports, and the ability to be fair and objective in determining whether an employee committed misconduct. Employees with a history of multiple sustained misconduct allegations, or one sustained allegation of a Category 6 or Category 7 offense from MCSO's disciplinary matrices, will be presumptively ineligible to conduct misconduct investigations. Employees with a history of conducting deficient investigations will also be presumptively ineligible for these duties.

Paragraph 200. *In each misconduct investigation, investigators shall:*

- a. conduct investigations in a rigorous and impartial manner designed to determine the facts;*
- b. approach investigations without prejudging the facts and without permitting any preconceived impression of the principal or any witness to cloud the Investigation;*
- c. identify, collect, and consider all relevant circumstantial, direct, and physical evidence, including any audio or video recordings;*
- d. make reasonable attempts to locate and interview all witnesses, including civilian witnesses;*
- e. make reasonable attempts to interview any civilian complainant in person;*
- f. audio and video record all interviews;*
- g. when conducting interviews, avoid asking leading questions and questions that may suggest justifications for the alleged misconduct;*
- h. make credibility determinations, as appropriate; and*
- i. attempt to resolve material inconsistencies between employee, complainant, and witness statements.*

Paragraph 201. *There will be no automatic preference for an employee's statement over a nonemployee's statement. Internal affairs investigators will not disregard a witness's statement solely because the witness has some connection to either the complainant or the employee or because the witness or complainant has a criminal history, but may consider the witness's criminal history or any adjudicated findings of untruthfulness in evaluating that witness's statement. In conducting the investigation, internal affairs investigators may take into account the record of any witness, complainant, or officer who has been determined to have been deceptive or untruthful in any legal proceeding, misconduct investigation, or other investigation.*

Paragraph 202. Internal affairs investigators will investigate any evidence of potential misconduct uncovered during the course of the investigation, regardless of whether the potential misconduct was part of the original allegation.

MCSO remains in Full and Effective Compliance with Paragraph 202.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 33rd Quarterly Report (Doc. 2820-1).

Paragraph 203. If the person involved in the encounter with the MCSO pleads guilty or is found guilty of an offense, internal affairs investigators will not consider that information alone to be determinative of whether an MCSO employee engaged in misconduct, nor will it by itself justify discontinuing the investigation. MCSO training materials and policies on internal investigations will acknowledge explicitly that the fact of a criminal conviction related to the administrative investigation is not determinative of whether an MCSO employee engaged in misconduct and that the mission of an internal affairs investigator is to determine whether any misconduct occurred.

MCSO remains in Full and Effective Compliance with Paragraph 203.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 33rd Quarterly Report (Doc. 2820-1).

Paragraph 204. Internal affairs investigators will complete their administrative investigations within 85 calendar days of the initiation of the investigation (60 calendar days if within a Division). Any request for an extension of time must be approved in writing by the Commander of the Professional Standards Bureau. Reasonable requests for extensions of time may be granted.

MCSO is in Phase 1 compliance with Paragraph 204. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO has a significant caseload of administrative investigations. Reducing that caseload and shortening the time required to complete investigations is a priority. The caseloads and efforts to manage and reduce them, while maintaining quality investigations, have been described in MCSO's previous Reports, most recently its 35th Quarterly Report (Doc. 2874-1).

MCSO initiated 1,028 Complaint investigations in 2017, 1,114 Complaint investigations in 2018, 1,111 Complaint investigations in 2019, 1,204 Complaint investigations in 2020, and 1,172 Complaint investigations in 2021. In 2022, MCSO initiated 1,062 Complaint investigations. MCSO closed 628

investigations in 2017, 518 investigations in 2018, 727 investigations in 2019, 995 investigations in 2020, 1,021 investigations in 2021. In 2022, MCSO closed 843 investigations. The current average caseload is down from 65 investigations per investigator at the end of 2022 to 49 investigations per investigator at the end of this quarter. This “average caseload” matrix does not include in its calculation any of the 10 contract investigators.

On November 8, 2022, the Court entered an order finding the Sheriff in civil contempt because of the backlog of administrative investigations. (Third Order (Doc. 2827) at 1.) The Third Order established a minimum required number of PSB investigators (§ 340) and backlog reduction requirements (§ 357), and authorized policy changes to facilitate the reduction of the backlog (e.g., §§ 348 and 353). The Order also transferred responsibility for intake and routing of complaints from MCSO to the Monitor (§ 346) and requires any extensions of investigative time to be approved by the Monitor (§ 365). Paragraph 365 of the Third Order specifically revoked the PSB Commander’s authority under this Paragraph to grant extensions.

MCSO recognizes the need to comply with this Court’s Orders regarding timely investigations and continues to attempt to do so. During the first quarter of 2023, MCSO continued to decrease the investigative timeline from the previous quarter. The table below provides additional detail regarding the investigative timeframe associated with administrative investigations submitted during this quarter. Given the backlog reduction efforts, with a focus on completing older investigations, the most appropriate metric to measure the status of the investigative timeframes is the median number:

Timeframe (days)	Average	Median	Minimum	Maximum
2023 Quarter 1	468	214	16	2213
January 2023	487	245	21	1998
February 2023	439	212	30	1707
March 2023	467	214	16	2213

Paragraph 205. *The Professional Standards Bureau shall maintain a database to track all ongoing misconduct cases and shall generate alerts to the responsible investigator and his or her Supervisor and the Commander of the Professional Standards Bureau when deadlines are not met.*

MCSO asserts Full and Effective Compliance with the requirements of Paragraph 205 in accordance with Paragraph 13.

MCSO asserts that it has been in compliance with the requirements of Paragraph 205 for at least three consecutive years. Phase 1 and Phase 2 compliance with Paragraph 205 was first achieved on September 30, 2018. MCSO achieved three consecutive years of Phase 1 and Phase 2 compliance with this Paragraph on September 30, 2021.

Phase 1 compliance with the requirements of this Paragraph is demonstrated by GC-16 (Employee Grievance Procedures), most recently amended on December 8, 2021; GC-17 (Employee Disciplinary Procedures), most recently amended on November 17, 2022; GH-2 (Internal Investigations), most recently amended on October 25, 2022; GH-5 (Early Identification System), most recently amended on December 16, 2021; and Professional Standards Bureau Operations Manual, most recently amended

on December 31, 2019.

Phase 2 compliance with the requirements of this Paragraph is demonstrated by the Monitor's observation of IAPro demonstrations. The Monitor has consistently found MCSO has been in compliance with the requirements of this Paragraph.

Paragraph 206. *At the conclusion of each investigation, internal affairs investigators will prepare an investigation report. The report will include:*

- a. a narrative description of the incident;*
- b. documentation of all evidence that was gathered, including names, phone numbers, and addresses of witnesses to the incident. In situations in which there are no known witnesses, the report will specifically state this fact. In situations in which witnesses were present but circumstances prevented the internal affairs investigator from determining the identification, phone number, or address of those witnesses, the report will state the reasons why. The report will also include all available identifying information for anyone who refuses to provide a statement;*
- c. documentation of whether employees were interviewed, and a transcript or recording of those interviews;*
- d. the names of all other MCSO employees who witnessed the incident;*
- e. the internal affairs investigator's evaluation of the incident, based on his or her review of the evidence gathered, including a determination of whether the employee's actions appear to be within MCSO policy, procedure, regulations, orders, or other standards of conduct required of MCSO employees;*
- f. in cases where the MCSO asserts that material inconsistencies were resolved, explicit credibility findings, including a precise description of the evidence that supports or detracts from the person's credibility;*
- g. in cases where material inconsistencies must be resolved between complainant, employee, and witness statements, explicit resolution of the inconsistencies, including a precise description of the evidence relied upon to resolve the inconsistencies;*
- h. an assessment of the incident for policy, training, tactical, or equipment concerns, including any recommendations for how those concerns will be addressed;*
- i. if a weapon was used, documentation that the employee's certification and training for the weapon were current;*
- j. documentation of recommendations for initiation of the disciplinary process; and*
- k. in the instance of an externally generated complaint, documentation of all contacts and updates with the complainant.*

Paragraph 207. *In assessing the incident for policy, training, tactical, or equipment concerns, investigation reports will include an assessment of whether:*

- a. the law enforcement action was in compliance with training and legal standards;*
- b. the use of different tactics should or could have been employed;*
- c. the incident indicates a need for additional training, counseling, or other non-disciplinary corrective actions; and*
- d. the incident suggests that the MCSO should revise its policies, strategies, tactics, or training.*

MCSO in Phase 1 and Phase 2 compliance with Paragraph 207.

MCSO has been in compliance with this Paragraph since June 30, 2017.

Paragraph 208. *For each allegation of misconduct, internal affairs investigators shall explicitly identify and recommend one of the following dispositions for each allegation of misconduct in an administrative investigation:*

- a. “Unfounded,” where the investigation determines, by clear and convincing evidence, that the allegation was false or not supported by fact;*
- b. “Sustained,” where the investigation determines, by a preponderance of the evidence, that the alleged misconduct did occur and justifies a reasonable conclusion of a policy violation;*
- c. “Not Sustained,” where the investigation determines that there is insufficient evidence to prove or disprove the allegation; or*
- d. “Exonerated,” where the investigation determines that the alleged conduct did occur but did not violate MCSO policies, procedures, or training.*

MCSO remains in Full and Effective Compliance with Paragraph 208.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone’s 34th Quarterly Report (Doc. 2848-1).

Paragraph 209. *For investigations carried out by Supervisors outside of the Professional Standards Bureau, the investigator shall forward the completed investigation report through his or her chain of command to his or her Division Commander. The Division Commander must approve the investigation and indicate his or her concurrence with the findings.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 209.

MCSO has been in compliance with this Paragraph since June 30, 2017.

Paragraph 210. *For investigations carried out by the Professional Standards Bureau, the investigator shall forward the completed investigation report to the Commander.*

MCSO remains in Full and Effective Compliance with Paragraph 210.

MCSO remains in Full and Effective Compliance with this Paragraph. For more detailed information, please refer to Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 211. If the Commander—meaning the Commander of the PSB or the Commander of the Division in which the internal affairs investigation was conducted—determines that the findings of the investigation report are not supported by the appropriate standard of proof, the Commander shall return the investigation to the investigator for correction or additional investigative effort, shall document the inadequacies, and shall include this documentation as an addendum to the original investigation. The investigator's Supervisor shall take appropriate action to address the inadequately supported determination and any investigative deficiencies that led to it. The Commander shall be responsible for the accuracy and completeness of investigation reports prepared by internal affairs investigators under his or her command.

MCSO is in Phase 1 compliance with Paragraph 211. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

MCSO continues to object to the Monitor's method of assessment for compliance with Paragraph 211 because it far exceeds the actual requirements of Paragraph 211, and instead imports requirements from other Paragraphs. For example, the Monitor's assessment of compliance with Paragraph 211 includes a timeline evaluation for completion of administrative investigations, which is a requirement of Paragraph 204, not 211.

Paragraph 211 requires that (1) the Commander of the Division in which an administrative investigation is conducted shall return investigations that have findings not supported by the appropriate standard of proof for correction or additional investigation; (2) the Commander shall document the inadequacies and include this documentation as an addendum to the original investigation; and (3) the investigator's Supervisor shall take action to address the deficiencies. MCSO's Commanders and Supervisors continue their efforts to comply with these requirements.

The Monitor's most recent quarterly report expressed concern about the quality of investigations completed by contract or outside investigators. While the vendor and its current investigators were recently expanded to assist the PSB, MCSO recognizes there is a learning curve to administrative investigation compliance requirements. MCSO has been responsive to the feedback regarding the investigations completed by the vendor, has implemented a tracking process to provide regular feedback with the investigators, and initiated additional on-going training reviews of past completed cases. These efforts continue with the additional contracted investigators to ensure the vendor is responsive to compliance requirements.

The Monitor's most recent quarterly report again confirms the quality of PSB investigations – finding 97% of the investigations closed to be “thorough” and the related investigative reports to be well-written. (Doc. 2887 at 209.) The compliance problem is the lack of timely completion of the investigations. It, however, also notes a higher level of deficiencies with District investigations and the investigations that were outsourced.

Paragraph 212. *Where an internal affairs investigator conducts a deficient misconduct investigation, the investigator shall receive the appropriate corrective and/or disciplinary action. An internal affairs investigator's failure to improve the quality of his or her investigations after corrective and/or disciplinary action is taken shall be grounds for demotion and/or removal from a supervisory position or the Professional Standards Bureau.*

MCSO asserts Full and Effective Compliance with the requirements of Paragraph 212 in accordance with Paragraph 13.

MCSO asserts that it has been in compliance with the requirements of Paragraph 212 for at least three consecutive years. Phase 1 and Phase 2 compliance with Paragraph 212 was first achieved on June 30, 2018. MCSO achieved three consecutive years of Phase 1 and Phase 2 compliance with this Paragraph on June 30, 2021.

Phase 1 compliance with the requirements of this Paragraph is demonstrated by GB-2 (Command Responsibility), most recently amended on June 28, 2019; GC-4 (Employee Performance Appraisals), most recently amended on April 27, 2022; and GC-4 (S) (Employee Performance Management), most recently amended on November 10, 2021.

Phase 2 compliance with the requirements of this Paragraph is demonstrated by the Monitor's review of administrative misconduct investigations and of the log MCSO provides regarding deficiencies identified in misconduct investigations. The Monitor has consistently found MCSO has been in compliance with the requirements of this Paragraph and has noted that "PSB investigators consistently complete thorough investigations" with a "high compliance rate over numerous reporting periods." (Monitor's 35th Quarterly Report (Doc. 2887) at 210).

Paragraph 213. *Investigations of minor misconduct conducted outside of the Professional Standards Bureau must be conducted by a Supervisor and not by line-level deputies. After such investigations, the investigating Supervisor's Commander shall forward the investigation file to the Professional Standards Bureau after he or she finds that the misconduct investigation is complete, and the findings are supported by the evidence. The Professional Standards Bureau shall review the misconduct investigation to ensure that it is complete and that the findings are supported by the evidence. The Professional Standards Bureau shall order additional investigation when it appears that there is additional relevant evidence that may assist in resolving inconsistencies or improving the reliability or credibility of the findings. Where the findings of the investigation report are not supported by the appropriate standard of proof, the Professional Standards Bureau shall document the reasons for this determination and shall include this documentation as an addendum to the original investigation.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 213.

MCSO has been in compliance with this Paragraph since June 30, 2017.

Paragraph 214. *At the discretion of the Commander of the Professional Standards Bureau, a misconduct investigation may be assigned or re-assigned to another Supervisor with the approval of*

his or her Commander, whether within or outside of the District or Bureau in which the incident occurred, or may be returned to the original Supervisor for further investigation or analysis. This assignment or re-assignment shall be explained in writing.

The Monitor's most recent quarterly report recognized that the PSB Commander is appropriately identifying policy, training, tactical, and equipment concerns but expressed concern about the time required to address those concerns. MCSO is following up to address the Monitor's concerns.

Paragraph 220. *To ensure consistency in the imposition of discipline, the Sheriff shall review the MCSO's current disciplinary matrices and, upon approval of the parties and the Monitor, will amend them as necessary to ensure that they:*

- a. establish a presumptive range of discipline for each type of violation;*
- b. increase the presumptive discipline based on an employee's prior violations;*
- c. set out defined mitigating and aggravating factors;*
- d. prohibit consideration of the employee's race, gender, gender identity, sexual orientation, national origin, age, or ethnicity;*
- e. prohibit conflicts, nepotism, or bias of any kind in the administration of discipline;*
- f. prohibit consideration of the high (or low) profile nature of the incident, including media coverage or other public attention;*
- g. clearly define forms of discipline and define classes of discipline as used in policies and operations manuals;*
- h. provide that corrective action such as coaching or training is not considered to be discipline and should not be used as a substitute for discipline where the matrix calls for discipline;*
- i. provide that the MCSO will not take only non-disciplinary corrective action in cases in which the disciplinary matrices call for the imposition of discipline;*
- j. provide that the MCSO will consider whether non-disciplinary corrective action is also appropriate in a case where discipline has been imposed;*
- k. require that any departures from the discipline recommended under the disciplinary matrices be justified in writing and included in the employee's file; and*
- l. provide a disciplinary matrix for unclassified management level employees that is at least as demanding as the disciplinary matrix for management level employees.*

- a. his or her personal opinion about the employee's reputation;*
- b. the employee's past disciplinary history (or lack thereof), except as provided in the disciplinary matrix; and*
- c. whether others were jointly responsible for the misconduct, except that the MCSO disciplinary decision maker may consider the measure of discipline imposed on other employees involved to the extent that discipline on others had been previously imposed and the conduct was similarly culpable.*

No other part of the administrative investigation shall be held in abeyance unless specifically authorized by the Commander of the Professional Standards Bureau in consultation with the entity conducting the criminal investigation. The Sheriff shall require that all relevant provisions of MCSO policies and procedures and the operations manual for the Professional Standards Bureau shall remind members of the Bureau that administrative and criminal cases are held to different standards of proof, that the elements of a policy violation differ from those of a criminal offense, and that the purposes of the administrative investigation process differ from those of the criminal investigation process.

Section 13: Community Outreach and Community Advisory Board

Paragraph 261. The Community Advisory Board may conduct or retain a consultant to conduct a study to identify barriers to the filing of civilian complaints against MCSO personnel.

Phase 1 and Phase 2 compliance are not applicable.

Paragraph 262. The Community Advisory Board shall be required to keep detailed records of expenditures which are subject to review.

Phase 1 and Phase 2 compliance are not applicable.

Section 14: Supervision and Staffing

Paragraph 264. *The Sheriff shall ensure that all patrol deputies shall be assigned to a primary, clearly identified, first-line supervisor.*

MCSO remains in Full and Effective Compliance with Paragraph 264.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 265. *First-line patrol supervisors shall be responsible for closely and consistently supervising all deputies under their primary command.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 265.

According to the Monitor's 28th Quarterly Report, MCSO must attain compliance standards with several requirements covered in other Paragraphs of the Court's Orders. The Paragraphs listed by the Monitor are: Paragraphs 83, 85, 89, 90, 91, 93, and 94. MCSO has been in compliance with Paragraphs 83, 85, 89, 90, 91, 93, and 94 in recent quarters.

MCSO continues to reinforce the necessity for quality and thoroughness in the supervisory reviews of arrests to maintain compliance with this Paragraph. MCSO has been in compliance with this Paragraph since September 30, 2021.

Paragraph 266. *First-line patrol supervisors shall be assigned as primary supervisor to no more persons than it is possible to effectively supervise. The Sheriff should seek to establish staffing that permits a supervisor to oversee no more than eight deputies, but in no event should a supervisor be responsible for more than ten persons. If the Sheriff determines that assignment complexity, the geographic size of a district, the volume of calls for service, or other circumstances warrant an increase or decrease in the level of supervision for any unit, squad, or shift, it shall explain such reasons in writing, and, during the period that the MCSO is subject to the Monitor, shall provide the Monitor with such explanations. The Monitor shall provide an assessment to the Court as to whether the reduced or increased ratio is appropriate in the circumstances indicated.*

MCSO remains in Full and Effective Compliance with Paragraph 266.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 267. *Supervisors shall be responsible for close and effective supervision of deputies under their command. Supervisors shall ensure that all deputies under their direct command comply with MCSO policy, federal, state and local law, and this Court's orders.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 267.

To meet the requirements of this Paragraph, the Monitor requires that MCSO achieve compliance with Paragraphs 83, 85, 89, 90, 91, 93 and 96. During the third quarter 2021, the Monitor determined that MCSO complied with the necessary Paragraphs to achieve compliance with this Paragraph. MCSO hopes that its efforts to train and communicate about these Paragraphs' requirements and BIO's internal review processes will help enable MCSO to remain in compliance.

Paragraph 268. During the term that a Monitor oversees the Sheriff and the MCSO in this action, any transfer of sworn personnel or supervisors in or out of the Professional Standards Bureau, the Bureau of Internal Oversight, and the Court Implementation Division shall require advanced approval from the Monitor. Prior to any transfer into any of these components, the MCSO shall provide the Court, the Monitor, and the parties with advance notice of the transfer and shall produce copies of the individual's résumé and disciplinary history. The Court may order the removal of the heads of these components if doing so is, in the Court's view, necessary to achieve compliance in a timely manner.

Section 15: Document Preservation and Production

Paragraph 269. *The Sheriff shall ensure that when the MCSO receives a document preservation document from a litigant, the MCSO shall promptly communicate that document preservation notice to all personnel who might possibly have responsive documents.*

MCSO is in Phase 1 compliance with Paragraph 269. Based on the Monitor’s 35th Quarterly Report, MCSO is not in Phase 2 compliance.

The Monitor’s previous comments on this Paragraph focused on the indexing of files stored in the new storage system, Qumulo, which MCSO addresses in the discussion of Paragraph 270. The Monitor had previously deferred compliance of both Paragraphs 269 and 270 because of those issues, but it now finds MCSO out of Phase 2 compliance.

MCSO has taken every step it can to ensure that its vendor, Open Axes, has the information and infrastructure it needs to implement the necessary software changes and fixes to ensure MCSO can fully utilize its software. Because Open Axes does not have the functionality necessary for the system MCSO envisions, MCSO has begun the process of identifying a new vendor. This problem, however, does not affect compliance with Paragraph 269, which addresses “document preservation notices to MCSO employees.”

As the Monitor’s quarterly report notes (Doc. 2887 at 249-250), MCSO’s Legal Liaison Section provides document retention notices to relevant custodians, which ensures that all relevant documents were preserved, and MCSO employees timely returned the Document preservation Questionnaire. The Monitor nevertheless asserts that it cannot hold MCSO in compliance until the vendor is in place because the “Administrative Services Division Operations Manual established the use of Open A[xes] for the purposes of searches and identifying personnel with pertinent records.” (Monitor’s 35th Quarterly Report (Doc. 2887 at 285).) But again, this Paragraph focuses on providing document preservation notices to relevant personnel, not conducting searches. On that point, the Administrative Services Division Operations Manual only relies on Open Axes to “distribute” preservation notices. (Admin. Servs. Div. Ops. Manual at 110 (Section 302(19)(B).) Who receives that notice—that is, who the relevant custodians are—is determined by the Legal Liaison Section and the Human Resources Bureau Chief based on “the original source document,” “incident report,” “CAD reports,” and “inmate booking information.” (*Id.* at 110-11 (Section 302(19)(B)(2).) Indeed, the Administrative Services Division Operations Manual specifically envisions and allows for the event that Open Axes is not functioning and, in that case, requires MCSO to “distribute the Document Preservation and the Document Preservation Questionnaire to all pertinent divisions of the Office and all Office employees who might possibly have responsive documents.” (*Id.* at 112-13 (Section 302(19)(D)(2)).) And, nevertheless, MCSO continues to utilize Open Access to distribute notices. In other words, under both the requirements of this Paragraph and the procedures set out in the Administrative Services Division Operations Manual, MCSO is complying with this Paragraph’s requirements. Because timely document preservation notices are being provided, MCSO asserts that it is in compliance with Paragraph 269.

Paragraph 270. *The Sheriff shall ensure that when the MCSO receives a request for documents in the course of litigation, it shall:*

- a. promptly communicate the document request to all personnel who might possibly be in possession of responsive documents;*
- b. ensure that all existing electronic files, including email files and data stored on networked drives, are sequestered and preserved through a centralized process; and*
- c. ensure that a thorough and adequate search for documents is conducted, and that each employee who might possibly be in possession of responsive documents conducts a thorough and adequate search of all relevant physical and electronic files.*

MCSO is in Phase 1 compliance with Paragraph 270. Based on the Monitor's 35th Quarterly Report, MCSO is not in Phase 2 compliance.

Because of a transition from legacy hardware, MCSO has been in the process of indexing the files stored in the new storage array, Qumulo. At this point, the initial indexing of files in Qumulo has been completed. Now, the system is in the process of refreshing that index. Indexing of files in Qumulo was completed at the end of last quarter, and the initial refresh began in April 2022.

Even if a document is not indexed and available through a software platform, MCSO's standard, manual document retention policy is sufficiently robust to ensure preservation requests are complied with. The Legal Liaison Section provides document retention notices to relevant custodians even in the absence of software capabilities, which ensures that all relevant documents are preserved. As such, MCSO asserts that it remains in compliance with this Paragraph. The necessary protocols for document preservation are in place and they are working.

With that said, MCSO has begun rerunning the searches initiated from August 2020 through present. As of the end of this quarter, MCSO had completed the re-run searches for August-December of 2020.

If the Monitor continues to incorporate software matters into its assessment of this Paragraph, MCSO asks that it be returned to deferred status until it secures a new vendor.

Paragraph 271. *Within three months of the effective date of this Order, the Sheriff shall ensure that the MCSO Compliance Division promulgates detailed protocols for the preservation and production of documents requested in litigation. Such protocols shall be subject to the approval of the Monitor after a period of comment by the Parties.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 271.

MCSO asserts that it has been in compliance with the requirements of Paragraph 271 for at least three consecutive years. Phase 1 and Phase 2 compliance with Paragraph 271 was first achieved on June 30, 2018. MCSO achieved three consecutive years of Phase 1 and Phase 2 compliance with this Paragraph on June 29, 2021. MCSO previously asserted Full and Effective Compliance with this Paragraph. The Monitor did not concur with that assertion because of issues with Open Axes. However, as the Monitor noted, MCSO's manual processes for document preservation and production are "thorough and in

compliance with policy requirements.” (Monitor’s February 6, 2023, Resp. to MCSO’s Full and Effective Compliance Assertions at 15.) Those policies are the protocols required by this Paragraph, and MCSO has been thorough in its application of those protocols.

Paragraph 272. The Sheriff shall ensure that MCSO policy provides that all employees must comply with document preservation and production requirements and that violators of this policy shall be subject to discipline and potentially other sanctions.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 281. *Subject to the authority of the Monitor, the Sheriff shall ensure that the MCSO receives and processes Class Remedial Matters consistent with: (1) the requirements of this Order and the previous orders of this Court, (2) MCSO policies promulgated pursuant to this Order, and the manner in which, pursuant to policy, the MCSO handles all other complaints and disciplinary matters. The Sheriff will direct that the Professional Standards Bureau and the members of his appointed command staff arrive at a disciplinary decision in each Class Remedial Matter.*

MCSO is in compliance with Phase 1 of Paragraph 281. Based on the Monitor's 35th Quarterly Report, MCSO is not in compliance with Phase 2.

MCSO works closely with the Monitoring Team on CRMs. The Monitoring Team meets with PSB every two weeks to track the progress of CRMs being investigated, reviewed, and finalized, with each step of the process requiring approval by the Monitoring Team. MCSO acknowledges that DOJ has expressed concerns with the investigation of certain CRMs that the Monitoring Team has reviewed. The Monitoring Team continues to report that investigations involving CRMs are thorough and that the findings of PSB are supported by the appropriate standard of proof. Despite the Monitoring Team concurring with the findings of the PSB Commander in CRM cases, MCSO recognizes additional scrutiny of these investigations may be warranted. As a result, and in addition to bi-weekly meetings already in place, MCSO and the Monitoring Team continue to meet on a quarterly basis to explore avenues to further ensure credibility assessments are made and documented, appropriate standards of proof are documented, appropriate employee histories are reviewed and considered, and employee specific patterns relative to CRMs are assessed and addressed where appropriate. The Monitor's evaluation under this Paragraph also considers the timeliness of the investigations' completion and, as noted in other sections, MCSO acknowledges that caseloads and the ability to timely close investigations remain significant issues.

Paragraph 282. The Sheriff and/or his appointee may exercise the authority given pursuant to this Order to direct and/or resolve such Class Remedial Matters, however, the decisions and directives of the Sheriff and/or his designee with respect to Class Remedial Matters may be vacated or overridden in whole or in part by the Monitor. Neither the Sheriff nor the MCSO has any authority, absent further order of this Court, to countermand any directions or decision of the Monitor with respect to Class Remedial Matters by grievance, appeal, briefing board, directive, or otherwise.

MCSO remains in Full and Effective Compliance with Paragraph 282.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 34th Quarterly Report (Doc. 2848-1).

Paragraph 284. The Sheriff and the MCSO shall expeditiously implement the Monitor's directions, investigations, hearings, and disciplinary decisions. The Sheriff and the MCSO shall also provide any necessary facilities or resources without cost to the Monitor to facilitate the Monitor's directions and/or investigations.

Paragraph 286. Should the Monitor believe that a matter should be criminally investigated, he shall follow the procedures set forth in ¶¶ 229–36 above. The Commander of the Professional Standards

Bureau shall then either confidentially initiate a Professional Standards Bureau criminal investigation overseen by the Monitor or report the matter directly and confidentially to the appropriate prosecuting agency. To the extent that the matter may involve the Commander of the Professional Standards Bureau as a principal, the Monitor shall report the matter directly and confidentially to the appropriate prosecuting agency. The Monitor shall then coordinate the administrative investigation with the criminal investigation in the manner set forth in ¶¶ 229–36 above.

Paragraph 287. *Any persons receiving discipline for any Class Remedial Matters that have been approved by the Monitor shall maintain any right they may have under Arizona law or MCSO policy to appeal or grieve that decision with the following alterations:*

- a. When minor discipline is imposed, a grievance may be filed with the Sheriff or his designee consistent with existing MCSO procedure. Nevertheless, the Sheriff or his designee shall immediately transmit the grievance to the Monitor who shall have authority to and shall decide the grievance. If, in resolving the grievance, the Monitor changes the disciplinary decision in any respect, he shall explain his decision in writing.*
- b. Disciplined MCSO employee maintains his or her right to appeal serious discipline to the Maricopa County Law Enforcement Merit System Council to the extent the employee has such a right. The Council may exercise its normal supervisory authority over discipline imposed by the Monitor.*

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone’s 29th Quarterly Report (Doc. 2703-1).

Paragraph 288. *The Monitor’s authority over Class Remedial Matters will cease when both:*

- a. The final decision of the Professional Standards Bureau, the Division, or the Sheriff, or his designee, on Class Remedial Matters has concurred with the Monitor’s independent decision on the same record at least 95% of the time for a period of three years.*
- b. The Court determines that for a period of three continuous years the MCSO has complied with the complaint intake procedures set forth in this Order, conducted appropriate internal affairs procedures, and adequately investigated and adjudicated all matters that come to its attention that should be investigated no matter how ascertained, has done so consistently, and has fairly applied its disciplinary policies and matrices with respect to all MCSO employees regardless of command level.*

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 288.

In the reporting period covered by the Monitor's most recent quarterly report, the Monitor reviewed two completed CRM investigations, and none had substantive deficiencies. MCSO continues to strive to complete CRMs in a manner that complies with the Monitor's expectations. PSB works with the Monitor on all pending CRM investigations.

Paragraph 292. To make this assessment, the Monitor is to be given full access to all MCSO internal affairs investigations or matters that might have been the subject of an internal affairs investigation by the MCSO. In making and reporting his assessment, the Monitor shall take steps to comply with the rights of the principals under investigation in compliance with state law. While the Monitor can assess all internal affairs investigations conducted by the MCSO to evaluate their good faith compliance with this Order, the Monitor does not have authority to direct or participate in the investigations of or make any orders as to matters that do not qualify as Class Remedial Matters.

MCSO remains in Full and Effective Compliance with Paragraph 292.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Paragraph 300. The following potential misconduct is not sufficiently related to the rights of the members of the Plaintiff class to justify any independent investigation:

- a. Uninvestigated untruthful statements made to the Court under oath by Chief Deputy Sheridan concerning the Montgomery investigation. (Doc. 1677 at ¶ 385).*
- b. Uninvestigated untruthful statements made to the Court under oath by Chief Deputy Sheridan concerning the existence of the McKessy investigation. (Id. at ¶ 816).*
- c. Chief Deputy Sheridan's untruthful statements to Lieutenant Seagraves made during the course of an internal investigation of Detective Mackiewicz to the effect that an investigation into the overtime allegations against Detective Mackiewicz had already been completed. (Id. at ¶ 823).*
- d. Other uninvestigated acts of misconduct of Chief Deputy Sheridan, Captain Bailey, Sergeant Tennyson, Detective Zebro, Detective Mackiewicz, or others that occurred during the McKessy investigation. (Id. at ¶¶ 766–825).*

Phase 1 is not applicable. Phase 2 is deferred.

MCSO's independent investigator continues to investigate and evaluate the four subsections of this Paragraph for misconduct. These allegations have been added to MCSO IA2015-0849.

Paragraph 337. Nevertheless, when discipline is imposed by the Independent Disciplinary Authority, the employee shall maintain his or her appeal rights following the imposition of administrative discipline as specified by Arizona law and MCSO policy with the following exceptions:

- a. *When minor discipline is imposed, a grievance may be filed with the Sheriff or his designee consistent with existing MCSO procedure. Nevertheless, the Sheriff or his designee shall transmit the grievance to the Monitor who shall have authority to decide the grievance. If in resolving the grievance the Monitor changes the disciplinary decision in any respect, he shall explain his decision in writing.*
- b. *A disciplined MCSO employee maintains his or her right to appeal serious discipline to the Maricopa County Law Enforcement Merit System Council to the extent the employee has such a right. The Council may exercise its normal supervisory authority over discipline imposed by the Independent Disciplinary Authority with one caveat. Arizona law allows the Council the discretion to vacate discipline if it finds that the MCSO did not make a good faith effort to investigate and impose the discipline within 180 days of learning of the misconduct. In the case of any of the disciplinary matters considered by the Independent Disciplinary Authority, the MCSO will not have made that effort. The delay, in fact, will have resulted from MCSO's bad faith effort to avoid the appropriate imposition of discipline on MCSO employees to the detriment of the members of the Plaintiff class. As such, the Council's determination to vacate discipline because it was not timely imposed would only serve to compound the harms imposed by the Defendants and to deprive the members of the Plaintiff class of the remedies to which they are entitled due to the constitutional violations they have suffered at the hands of the Defendants. As is more fully explained above, such a determination by the Council would constitute an undue impediment to the remedy that the Plaintiff class would have received for the constitutional violations inflicted by the MCSO if the MCSO had complied with its original obligations to this Court. In this rare instance, therefore, the Council may not explicitly or implicitly exercise its discretion to reduce discipline on the basis that the matter was not timely investigated or asserted by the MCSO. If the Plaintiff class believes the Council has done so, it may seek the reversal of such reduction with this Court pursuant to this Order.*

MCSO remains in Full and Effective Compliance with Paragraph 337.

MCSO remains in Full and Effective Compliance with this Paragraph. For additional information, please see Sheriff Penzone's 29th Quarterly Report (Doc. 2703-1).

Section 18: Third Order Paragraphs

On November 8, 2022, the Court entered a Third Order resolving several competing legal motions filed by MCSO and the Parties. (Doc. 2827.) The Court entered the amended version of this Order, the Amended Third Supplemental Permanent Injunction/Judgment Order (Doc. 2830) (Third Order) on November 30, 2022. The Third Order contains an additional 20 Paragraphs focused on reducing the backlog of administrative misconduct investigations. MCSO addresses its efforts to date here.

***Paragraph 338.** Within 14 days from the date of this order, MCSO will calculate and provide the Court and the parties with the dollar amount required to recruit, hire, train and compensate for one year a single PSB budgeted sergeant position.*

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 368.

MCSO provided this information to the Court and the Parties through a November 11, 2022, filing. (Doc. 2829.) As such, MCSO has fulfilled the requirements of this Paragraph.

***Paragraph 339.** MCSO must not reduce the staffing levels at PSB below the minimum investigator staffing number identified in ¶ 340 while a backlog in investigations remains.*

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 369.

On January 6, 2023, MCSO notified the Court and Parties that it had filled vacant positions and satisfied the minimum staffing requirements set forth in Paragraph 340. (Defendant Paul Penzone's Notice of Compliance with Paragraphs 340-342 of Amended Third Supplemental Permanent Injunction Order, Doc. 2844.)

The minimum investigator staffing number required by Paragraph 340 is 39. As noted in Paragraph 195 of this Report, the total number of investigators working in PSB at the end of this quarter was 44. MCSO was in compliance with the minimum investigator staffing number by the end of this quarter.

***Paragraph 340.** Within 60 days from the date of this order, MCSO will fill the seven currently budgeted, yet vacant, positions at PSB referred to in Mr. Gennaco's report, through hiring or internal transfers. (Doc. 2790 at 15.) The staffing referred to by Mr. Gennaco, together with the full staffing of the vacant positions, is 39 investigators. This is the minimum investigator staffing number. If MCSO fails to fill any one of the seven vacant budgeted staffing positions with an AZPOST sworn investigator who is approved by the Monitor within 60 days of the date of this order, MCSO and/or Maricopa County will pay into a PSB Staffing Fund three times the amount identified by PSB in ¶ 338 above for each vacancy remaining at the MCSO for budgeted investigators. It shall, thereafter on a monthly basis pay into the Staffing Fund three times the amount identified in ¶ 338 above for every month the number of PSB investigators falls below the minimum investigator staffing number.*

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 340.

On January 6, 2023, MCSO notified the Court that it had filled the positions required by this Paragraph. (Doc. 2844.) As of that date, MCSO had hired 10 new civilian investigators, 7 of whom had already begun their employment. In addition to filling those budgeted, yet vacant, positions referred to in Mr. Gennaco's report and this Paragraph, PSB has continued to fill other positions within PSB as they have become open through retirements, resignations, or transfers. (Doc. 2844 at 3-4.)

As described in MCSO's January 6, 2023, filing with the Court, MCSO is in compliance with the requirements of Paragraph 340. It timely filled the 7 budgeted, yet vacant, positions in PSB described in Mr. Gennaco's report and exceeded the minimum investigator staffing number. MCSO has maintained the required staffing levels and thus has made no payment into the PSB Staffing Fund.

***Paragraph 341.** If MCSO desires to fill the positions with new civilian investigators in lieu of sworn officers, it may do so to the extent that it is authorized to do so, consistent with state law. Should it fail to fill any one of the seven vacant positions within 60 days of the date of this order, MCSO and/or Maricopa County will pay into a PSB Staffing Fund three times the amount identified by PSB in ¶ 338 above for each vacancy remaining at the MCSO for budgeted investigators. It shall, thereafter on a monthly basis pay into the Staffing Fund three times the amount identified in ¶ 338 above for every month the number of PSB investigators falls below the minimum staffing number.*

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 341.

See MCSO's comments to Paragraph 340 and Doc. 2844 regarding its compliance with this requirement to fill the seven budgeted, yet vacant, positions referred to in Mr. Gennaco's report.

***Paragraph 342.** If the MCSO attempts to fill these open positions with a mix of qualified sworn personnel and civilian investigators, it may do so to the extent that it can, consistent with state law. Nevertheless, if it fails to fill any one of the seven vacant positions within 60 days, the MCSO and/or Maricopa County will pay into the PSB Staffing Fund three times the amount identified in ¶ 338 above for each vacancy remaining. It shall, thereafter on a monthly basis pay three times the amount identified in ¶ 338 above for every month that the number of PSB investigators falls below the minimum staffing number.*

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 342.

See MCSO's comments to Paragraph 340 and Doc. 344 regarding its compliance with this Paragraph to fill the seven budgeted, yet vacant, positions referred to in Mr. Gennaco's report.

The Monitor has suggested that MCSO seek clarification regarding detention investigators as they are "not specifically listed in the Third Order." But MCSO does not see any lack of clarity regarding whether detention investigators in PSB were included in the 39 minimum required PSB investigators. Detention investigators are an integral part of PSB and have been since the entry of the Court's Second Order. They have always been counted by the Monitor as part of the investigator total, were enumerated as such in Mr. Gennaco's report, and they were included in MCSO's January 6, 2023, Court filing. No party objected to MCSO's explanation in its January 6, 2023, filing.

Paragraph 343. MCSO is authorized to conduct PSB investigations through approved private contractors if it can do so consistent with state law.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 343.

PSB continues to utilize contract investigators. Currently, nine contract investigators are conducting administrative investigations, which brings the total number of investigators to 53.

Paragraph 344. MCSO must demonstrate that it is using overtime and other administrative tools to increase the personnel hours committed to investigate all types of complaints. MCSO shall report its use of these tools to the Monitor on a monthly basis.

Phase 1 compliance is not applicable. Phase 2 compliance is deferred.

MCSO continued to utilize overtime to increase personnel hours committed to investigating complaints and has been providing the reports required by this Paragraph.

Paragraph 345. MCSO and/or Maricopa County shall hereby establish a PSB Staffing Fund, which shall be a separate account of the MCSO. The amounts set forth in ¶¶ 340-42 shall be paid directly into this account. The MCSO, however, is only authorized to withdraw funds from this account for the hiring and payment of PSB investigators or private investigators contracted with PSB who are in compliance with the requirements of state law. The fund may also be used to hire necessary additional PSB administrative staff and necessary additional PSB supervisory staff only, and for no other purpose. MCSO is not permitted to offset the amount of any fine from PSB's existing budget or use it to subsidize the number of PSB staff and investigators existing at the time of this Order. MCSO shall provide an accounting of the PSB Staffing Fund on a monthly basis to the Monitor and the Court. But, if necessary, MCSO is permitted to augment and/or exceed the salary and incentives normally paid PSB investigators to hire and/or maintain sufficient investigators, whether sworn or civilian, to reduce the backlog.

Phase 1 is not applicable. MCSO is in Phase 2 compliance with Paragraph 345.

On December 7, 2022, the Maricopa County Board of Supervisors established the PSB Staffing Fund. Throughout this quarter, the balance of the PSB Staffing Fund was \$0.00.

Paragraph 346. The Court hereby vests the Monitor, Robert Warshaw, with the supplemental authorities set forth in this Order. The Monitor therefore has immediate authority to oversee all of MCSO's complaint intake and routing. The Court hereby vacates any previous order that conflicts with this Order, including but not limited to ¶ 292 of the Second Order (Doc. 1765). In consultation with the PSB Commander, the Monitor shall make determinations and establish policy decisions pertaining to backlog reduction regarding, by way of example, which complaints should be (a) investigated by PSB; (b) sent to the Districts for investigation or other interventions; or (c) handled through other methods, to include diversion and/or outsourcing of cases. The Monitor must consult

with the PSB Commander about these policy decisions but maintains independent authority to make the ultimate decision. The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If the backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor.

Paragraph 346 is not applicable to MCSO.

***Paragraph 347.** The Monitor shall revise and/or formalize MCSO's intake and routing processes. The Monitor's authorities shall include, but not be limited to, the power to audit and review decisions made with respect to individual cases and, if necessary, to change such designations. The Sheriff and the MCSO shall expeditiously implement the Monitor's directions or decision with respect to intake and routing, and any other issues raised by the Monitor pertaining to backlog reduction and any other authority granted the Monitor under the Court's orders. The Monitor must consult with the PSB Commander about these processes but maintains independent authority to make the ultimate decision. The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If the backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor.*

Paragraph 347 is not applicable to MSCO.

***Paragraph 348.** The Monitor will evaluate PSB's current investigative practices. The PSB, under the authority of the Monitor, shall create, and submit for the Monitor's approval, policies and procedures that:*

- (a) Identify and eliminate unnecessary investigative requirements that may be removed from particular classes of cases;*
- (b) Provide for the establishment of an investigative plan for each investigation to eliminate unnecessary steps for the investigation of the complaint at issue;*
- (c) Establish formal internal scheduling expectations and requirements for supervisory interventions;*
- (d) Establish expectations on the timeline for each step of the review process. The formulated expectations will be consistent with the timeline requirements of this Court's previous orders;*
- (e) Assess current use of IA Pro as a case management/tracking tool.*

Compliance with Paragraph 348 is deferred.

In this quarter, MCSO, conferred with the Parties and completed and submitted proposed policies and procedures addressing all sections of Paragraph 346 and Paragraph 353 on February 8, 2023. Furthermore, MCSO subsequently submitted additional comments and feedback pertaining to the policies and procedures submitted by the Monitor to the Court.

Paragraph 349. *The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If a backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor. Given that the parties have provided the Monitor with feedback on these issues, the Monitor is directed to consider the input already articulated by the parties on these issues and determine, at his discretion, to adopt them or not. The Monitor may choose, but will not be required, to seek additional input from the parties in the development of the above stated policies. The Monitor shall finalize and submit such policies to the Court within four months of the date of this order. The parties shall have two weeks thereafter to provide the Court with any comments on the Monitor's final proposed policies. The Court will, if necessary thereafter, make determinations as to the final policies.*

Paragraph 349 is not applicable to MCSO.

Paragraph 350. *The Monitor will assess MCSO's compliance with the investigative requirements of this order and shall determine whether training on investigative planning and supervision is needed and implement such training.*

Paragraph 350 is not applicable to MCSO.

Paragraph 351. *The Monitor has the authority to make recommendations to the Court concerning the revision of the Court's orders as it pertains to the investigation of complaints where, in its opinion, such revisions would increase efficiency without impinging on investigations necessary to the operation of a fair and unbiased law enforcement agency.*

Paragraph 351 is not applicable to MCSO.

Paragraph 352. *The Monitor may intervene in the course of any investigation for the purpose of facilitating the appropriate operation of the PSB and/or the reduction of the backlog, if he deems it appropriate, and will document his actions in a quarterly report to be submitted to the Court. The authority granted to the Monitor in this paragraph shall not be applicable when there is no backlog. If the backlog is eliminated and then arises again while the Defendants are still subject to monitoring, this authority will be renewed in the Monitor.*

Paragraph 352 is not applicable to MCSO.

Paragraph 353. *The Monitor shall recommend to the Court adjustments in the investigations of the following categories of cases according to the following procedure:*

MCSO shall, upon the approval of the Monitor:

- (a) Create, formalize, and implement a policy regarding whether investigations are necessary when the complaint was submitted to the MCSO more than a year after the last instance of*

the underlying alleged misconduct reported, or when the MCSO employee involved left MCSO's employ prior to the filing of the complaint.

- (b) Create, formalize, and implement a policy regarding when investigations are necessary if the initial complainant is unwilling or unable to cooperate, or if the initial complainant is anonymous.*
- (c) Create, formalize, and implement a policy regarding when MCSO may investigate health related in-custody jail deaths by County medical staff.*
- (d) Create, formalize, and implement a policy regarding when an entity other than PSB may investigate internal allegations emanating from workplace relationships.*
- (e) Create, formalize, and implement a policy regarding when, in cases in which external evidence establishes a violation, the PSB Commander has the discretion to offer principals a mitigated penalty if they accept responsibility. The mitigated penalty shall be no lower than the minimum discipline within the applicable discipline matrix range for the charged offenses.*
- (f) Create, formalize, and implement a policy regarding when the PSB commander is authorized to handle the alleged minor misconduct through supervisory intervention in lieu of investigation. MCSO shall submit to the Monitor within 15 days, a list of the minor misconduct within the GC-17 (Disciplinary Matrix) which it deems should be considered by the Monitor to be handled as a supervisory intervention. MCSO's list shall exclude allegations concerning the Plaintiff class and allegations of bias.*

In proposing such policies to the Monitor, the MCSO shall fully and openly consult with the other parties to this litigation. All parties shall move expeditiously to formulate, consult with, and approve these policies. MCSO and the parties shall complete and submit to the Monitor for approval all such proposed policies within three months of this order. As to those issues on which the parties cannot obtain consensus, they shall each submit their proposals to the Monitor. The Monitor shall then, promptly present to the Court the final proposed policies he deems best. The parties will have two weeks thereafter to provide the Court with any comments on the Monitor's final proposed policies. The Court will, thereafter, make determinations as to the final policies.

Compliance with Paragraph 353 is deferred.

In this quarter, MCSO, conferred with the Parties and completed and submitted proposed policies and procedures addressing all the sections of Paragraph 346 and Paragraph 353 on February 8, 2023. Furthermore, MCSO subsequently submitted additional comments and feedback pertaining to the policies and procedures submitted by the Monitor to the Court.

Paragraph 354. *To the extent that the policies require implementation plans or address deadlines, the Court shall approve these after they are submitted by the Monitor.*

This Paragraph does not impose an affirmative responsibility on MCSO.

Paragraph 355. *The Monitor and the PSB shall review the cases in the current backlog that are eligible to be diverted from PSB investigations by ¶ 353 of this order. It is the expectation of the Court that the diverted cases shall reduce the current backlog.*

Phase 1 compliance is not applicable. Phase 2 compliance is deferred.

Once the policies are approved by the Court, MCSO will work with the Monitor to conduct the review envisioned by this Paragraph.

Paragraph 356. *Within five business days of the elimination of these cases from the backlog, the Monitor shall certify to the parties and the Court the number of administrative investigations remaining in the backlog that are open and have not been completed within the time limits required by the Court. At the beginning of each month, the number of open cases whose investigations have exceeded the time by which Doc. 1765 ¶ 204 required that they be completed shall be the remaining backlog. This backlog shall not include any cases for which the Monitor has granted an extension of the investigative deadline pursuant to ¶ 365 of this Order.*

Paragraph 356 is not applicable to MCSO.

Paragraph 357. *The cases in this remaining backlog should be identified by year, giving priority to the oldest cases, i.e., the cases that were filed first. The expectation should be to address the oldest cases first, without ignoring the continuing caseload. For each month in which the PSB cannot reduce the remaining backlog by 20 cases from the previous month's number, the MCSO and/or Maricopa County shall pay into the PSB Staffing Fund two times the amount identified in ¶ 338 above.*

Phase 1 compliance is not applicable. Phase 2 compliance is deferred.

The process described in this Paragraph applies after the processes described in Paragraphs 355 and 356 are completed.

Paragraph 358. *Maricopa County has requested that the Court relax its investigative timeline to be consistent with state law. The Court shall only consider doing so, when significant progress is made towards the reduction of the backlog.*

This Paragraph does not impose an affirmative responsibility on MCSO. MCSO continues to work to reduce the backlog.

Paragraph 359. *The MCSO and/or Maricopa County shall pay all reasonable costs of the Monitor, consistent with ¶ 123 of the Supplemental Permanent Injunction. The Monitor is free from any liability for such matters as set forth in ¶ 144 of the Supplemental Permanent Injunction.*

This Paragraph adds no new compliance criteria, but only reiterates the provisions of other Paragraphs. As such, there is no compliance assessment to be made under this Paragraph.

Paragraph 360. *The Monitor shall submit a quarterly progress report to the Court and parties describing the rationale for each type of investigative diversion approved, the result of each diversion type, the backlog tally, the number of completed cases, unresolved issues, and further actions required to address the backlog and staffing levels at PSB.*

Paragraph 360 is not applicable to MCSO.

This Paragraph imposes a duty on the Monitor, rather than MCSO.

Paragraph 361. *Under the direction of the Court, MCSO shall commission an independent study to determine: (1) the most efficient way for MCSO to allocate its personnel in light of existing authorized staffing levels, the requirements and expectations of its served communities, the requirements of this Court's Orders, the timely elimination of the existing backlog of PSB investigations, and state law; (2) the necessary staffing level for MCSO to fulfill these obligations regardless of the existing staffing level; and (3) the PSB staffing level required to maintain the timely completion of PSB investigations in compliance with the Orders of this Court and state law. MCSO shall (1) provide a draft Request for Proposals to the Court, the Monitor, and the parties; (2) disclose credible bids to the Court, the Monitor, and the parties; and (3) obtain Court approval of the methodology for the study. MCSO must ensure that the study is completed within one year of the entry of this Order.*

Phase 1 compliance is not applicable. Phase 2 compliance is deferred.

In the third quarter of 2022, Maricopa County contracted with the Center for Public Safety Management, LLC ("CPSM") to conduct a staffing study related to MCSO's allocation of sworn deputies and related resources. After the Court issued the Third Order, Maricopa County worked with CPSM to modify the scope of work of the original study to more specifically address the requirements of this Paragraph. CPSM's work continues and is on track to be completed by the deadline set in this Paragraph.

Paragraph 362. *The Court is aware that the MCSO has already engaged a consultant to undertake a similar evaluation. Nevertheless, while the Court will consider both the qualifications of the consultant already hired by MCSO and the outcome of that study, the work of that consultant must comply with the Court's requirements, supra and will not be deemed to satisfy the terms of this Order absent the approval of this Court. If MCSO wishes to obtain Court approval of the consultant it has already hired, it must, as a prerequisite, provide the contracting documents to the Court, the Monitor, and the parties*

within five business days of the entry of this Order; and it must submit the consultant's draft methodology to the Court, the Monitor, and the parties within 30 days of the entry of this Order.

Phase 1 compliance is not applicable. Phase 2 compliance is deferred.

As noted, Maricopa County coordinated with CPSM to expand its original scope of work to include specific focus on the provisions of Paragraph 361. MCSO complied with the requirements in this Paragraph to submit the consultant's contracting documents (Doc. 2828) and the methodology (Doc. 2832).

Paragraph 363. *MCSO is required to provide access to personnel, documents, and facilities as mandated by ¶ 145 of Doc. 606 so that the Monitor can perform his newly expanded duties.*

MCSO has been providing the Monitor access as required by this Paragraph.

Paragraph 364. *To keep the parties and the Court informed, the MCSO shall report monthly on the size of the backlog to the Monitor, the parties, and the Court. The Monitor's quarterly progress report will further assess the status of the backlog.*

Phase 1 compliance is not applicable. MCSO is in Phase 2 compliance with Paragraph 364.

MCSO began its monthly reporting of the backlog in the first quarter of 2023. At the beginning of this quarter, the backlog consisted of 2,074 cases. As of March 31, 2023, the backlog consisted of 1,958 cases (Doc. 2876).

Paragraph 365. *The authority for MCSO to grant itself extensions in investigation deadlines granted in ¶ 204 of Doc. 1765 is revoked. The Monitor shall be authorized to grant reasonable extensions upon reviewing requests submitted to him by the Sheriff.*

Compliance with Paragraph 365 is deferred.

MCSO developed procedures so that the process for requesting extensions complies with this Paragraph.

Paragraph 366. *At any time after the Monitor's submittal of its second quarterly progress report, the Court may revisit the contents of this order and make any changes it deems appropriate.*

This Paragraph does not impose a duty on MCSO.

Paragraph 367. *Should the Sheriff perceive any conflict between this order and the requirements of state law, the Sheriff shall immediately raise the potential conflict with the Court by motion.*

At this time, MCSO perceives no conflicts.

Paragraph 368. *MCSO will continue to pay into the PSB Staffing Fund pursuant to ¶ 357 until MCSO reports for twelve continuous months that it has no open investigations that have exceeded the time by which Doc. 1765 ¶ 204 required that they be completed. At that time, MCSO may petition the Court to dissolve the PSB Staffing Fund.*

Phase 1 compliance is not applicable. MCSO is in Phase 2 compliance with Paragraph 368.

This Paragraph imposes no obligation on MCSO for this quarter.

Section 19: Conclusion

This Report covers the first quarter of 2022 (January 1, 2023 – March 31, 2023) and highlights MCSO's compliance efforts and achievements during this specific rating period.

The backlog of administrative investigations, the timeline to complete administrative investigations, and PSB staffing continue to be a significant issue, as reflected in this Court's Third Order. MCSO continues to work to address those issues and comply with all relevant Court's Orders.

MCSO continues its monthly evaluations of traffic stop data for Deputies and appropriate interventions outside of the pilot program.

In this Report, MCSO asserted Full and Effective Compliance with 4 additional Paragraphs of the Court's Orders. Should the Monitor agree with these assertions, MCSO will have achieved Full and Effective Compliance with a total of 160 Paragraphs. These compliance achievements demonstrate MCSO's consistency and dedication.

At the time of deployment, it will be assigned to everyone's HUB profile. Additionally, as classes are created for particular communities anytime an employee is assigned to that area past classes can be added to their profile to increase awareness of the areas they serve.</p>	<p>The content in this series of classes is demonstrably different from other MCSO offerings and is driven by what the communities' experience and what the community wants us to know.</p>
<p>Video Library Submissions</p> <p>Goals 3, 4, 5</p>	<p>¶170 The CPP is the Office response to disparate outcomes in the TSAR Report</p>	<p>The video library is a curation of videos and discussion points available to Supervisors for use in training scenarios and TSMR interventions.</p> <p>As of end of 2022 the video library includes videos in the following categories:</p> <ul style="list-style-type: none"> § CP-8 – 3 Videos § Cultural Competency – 8 § FIDM – 12 § Implicit Bias – 16 	<p>These are not Training Classes or HUB presentations. Traffic Stop Studies

The following traffic stop studies have been completed to comply with the Court's Orders. All are available to the public on the MCSO/BIO website at [TRAFFIC STOP REPORTS | mcsobio \(mcsobio.org\)](https://mcsobio.org).

Traffic Stop Annual Reports (TSAR)

These annual reports provide an agency-wide analysis of disparate outcomes based on race and ethnicity in traffic stops. The analysis is conducted by an outside consultant using MCSO traffic stop data.

Traffic Stop Quarterly Reports (TSQR)

These quarterly reports focus on specific issues that often relate to issues identified in a TSAR. Topics and the related methodologies are approved by the Monitor, following review and input by all Parties.

- TSQR 1 (May 2020) – Supervisor Review Findings and Recommendations
- TSQR 2 (September 2020) – Supervisor Survey of TSAR 3 Intervention
- TSQR 3 (March 2021) – Extended Traffic Stop Indicator Use
- TSQR 4 (June 2021) – Long Non-Extended Traffic Stops
- TSQR 5 (October 2021) – District Analysis
- TSQR 6 (March 2022) – 2020 Citations and Warnings
- TSQR 7 (June 2022) – 2019-2021 Arrest Activity
- TSQR 8 (September 2022) – Disparities Over Time
- TSQR 9 (December 2022) – Special Assignments
- TSQR 10 (March 2023) – 2022 Searches

Traffic Stop Monthly Reports (TSMR)

These reports are monthly statistical analyses of traffic stop outcomes and driver race and ethnicity. A more detailed review of traffic stops of selected Deputies is conducted. Where appropriate, interventions with Deputies are conducted. This is a non-disciplinary process that is part of the Early Identification System. The TSMR began as a pilot in April 2021, and beginning in the fourth quarter 2022, continues as a routine monthly process within MCSO.
